Bismillahirrahmanirrahim all praise belongs to Allah SWT for all his blessing and guidance that have been given to the author in finishing this undergraduate thesis. This undergraduate thesis would never be done without the presence of Allah SWT. The author would like to say thank you to Allah SWT by surrounding the author with the people listed below:

1. All praise belongs to Allah SWT by giving me a chance to live in his beautiful world and placing me in a beautiful family. Special thanks to my beloved parents, thank you for always believing in me by letting me do anything I want. Thank you for everything that you have given me. I always think that I am the luckiest daughter in this world. Thank you for always being tough to me, thank you for always yelling at me in every moment I made mistakes. I would like to say sorry for always nagging and mumbling for something that sometimes is not really important. I do apologize for always putting you both in hard times. I will do as best as I can to be whatever you want, and I will try my best to be the best figure for my brother. Thank you.
2. Thank you so much to my little brother, Jimly Ashshiddiqie, who always brought me a full of happiness. Thank you for always relying on me, nagging at me, angry at me, and thank you for always being there for me. You are the greatest gift that Allah SWT gave me. You will never know how much I adore you. I never imagined my life without you. You are the main reasons I fight for, and you are always the main reason for me to go home. You are just as perfect as your name. Thank you for everything. I love you with all my heart.
3. Thank you so much to Mbah Kakung & Mbah Putri from my father's side and thank you so much to Abah & Mbah Putri from my mother's side.
