## Acknowledgement

Firstly, I would say thank you to Allah SWT, the creator of the universe, earth, heaven, and hell. Because it always gives me spirit, health, happiness, wealth, and everything from the best for me. Then, thank you to Prophet Muhammad *Sallahu Alaihi Wasallam* because I can be his *umat.* I am grateful to myself, who was willing to stay up all night to finish this *Skripsi* even though it was a little stressful. However, I was proud to be able to finish it until the end.

I proudly thank my parents for my father, who is firm but has a good heart and a sense of humor, Mr. Satellite Siswantoro. Next is my super friendly mother, whom we often communicate with using the phone, Ms. Honik Yuliarsih. They are the reason I have to finish this course quickly because private tuition is quite expensive, thanks to my parents as prayer support and regular donors while I was in college. Next to the supervisor lecturer, said Ms. Arifah, I am sorry, Ms. I had disappeared from not attending the consultation because I was confused about what to do. Then my examiner lecturer, Dr. Suryanto, and Ms. Mariska provide input for my *Skripsi*, which is still lacking.

The third to my *bestie* they are Nurhalimah, Fira, Syifa, Giya, and Alma, who patiently listen to my complaints; my behavior is miraculous, eager, and noisy. Then my other friends, Novan and Zhilan, always make sure that this *Skripsi* develops and became my ambitious friends. Then there are my other friends, Dila, Vika, Yola, and my other friends who were not mentioned. Furthermore, my friends in Savanna, BEM-KM UMY, and IMM have provided experiences for me while studying at UMY.

Next, this is the part that entertains me when I am tired and stressed; yes, my *cowok* k-pop and anime are Jung Jaehyun NCT, Kim Doyoung NCT, Kim Mingyu SVT, Hoshi SVT, Naruto, Kyojuro KNY, and Others. Then there are kpop stars: NCT, Seventeen, Red Velvet, Black Pink, and Twice. Lastly, solo singer Tulus, Zack Tabulo, Harry Styles,

Taylor Swift, Niki Zefanya, and others. Their songs relieve fatigue and stress me while working on this *Skripsi*.

Last, for my online friends who accompany me to stay up late at night playing the online game Sky Children of The Light. To my online bestie Ziii, we are on fire to get a bachelor's degree. Furthermore, there is a Chibi Squad that becomes my friend who stays up late and entertains me when I am lonely until the sun wants to say hello; yes they are Bubble, Obli, and Danny. I love you guys, and I hope we can be friends forever. Lastly, there are the *Anak Langit* Discord group members who accompanied me to talk all night to keep on fire; they are Sara, Ziru, Jelly, and Meil. Then, my SKY COTL friends are Coco, Cece, Kai, and others. Thank you to those of you who are sincere friends with me; even though we are only online friends, you are one of the many peopling who have encouraged to be able to complete this *Skripsi*. I love you all.
