Acknowledgement

Bismillahirrahmanirrahim, in the name of Allah, the most gracious, the most merciful. All praises belong to Allah SWT who always give me blessing, mercy and the ability to complete this long journey. Also, thank to Prophet Muhammad Sallallahu Alaihi Wasallam who has been guiding all of mankind to the brighter life. Never to forget, this thesis will never be completed without greatest guidance from my skripsi Supervisor, Ms. Arifah Mardiningrum, S.Pd., M.A., thank you Ms Arifah for your time, guidance and advice from the very early stage of this research. Thank you for your kindness during all these processes May all your kindness and patient will be coming back to you as good things. Then, to my examiners Dr. Suryanto for his constructive feedback to my writing.

In this process of making this skripsi, a lot of people gave advice, motivation and support me. I want to thank the people whom I love because of the never-ending prayers and love that has been given to me. For my beloved, I want to thank to my parents Mr. Jumadi and Mrs. Masuji for their motivation when I did this skripsi. I also want to thank to my dearest sibling Alya, Diar and Dinul who has always been here for me. Once again, thank you to my family who have been encouraging me throughout finishing this skripsi, I am very grateful to be a part of this amazing family.

I also want to thank my first friend when I started studying at Jogja Rosa, thank you so much for being one of my good friends. We have been through many

things together since we met. Thank you for your help and kindness so far, all the moments we spent together were very precious.

Last, for my friends Tasha, Noput, Sonia, Sekar, Iin and Candra, thank you for the times that we have been through together, and the support that you give to me in writing my skripsi. In short, I am so grateful that we can be good friends, you guys are help me a lot. Thank you so much.
