11. Thank you to all my best friend that I can't be mentioned one by one because y'all are rock. Thank you for support, laughter, tears, and joy that we share together. May all the memories last forever.
12. Thank you to all my friends who worried about me after the accident that I broke my hand. I really hope we can be still friend until time must stop.

PREFERENCE

All praise belongs to Allah SWT for all his guidance and mercy so that the writer been able to finish Undergraduate thesis titled “The Use of E-Government as a Public Information Service Strategy (Case Study: Jogja Istimewa Application in Bantul Regency)”. Sholawat and Greetings go to Prophet Muhammad SAW, the lighter, the greatest person as the messenger all knowledge to Muslim and His believer. This research aimed to analyze the use of E-Government as a public information service strategy through Jogja Istimewa application in supporting Jogja Smart Provinnce. The writer realized that this research still has many weakness and imperfections, the critique, and recommendations for greatness in the future are hoped. Moreover, I hope it can contribute as the reference for literature studies, about conflict resolution practices and environmental issues. In particular, the writer would like to thank my supervisor Dewi Sekar Kencono, S.IP., M.Si which have given her best treats as the guiding supervisor, valuable input and support throughout the entire period. Finally, I would thank my family for being helpful and best spirit during my time studying at International Program of Governmental Studies, UMY.
