PREFACE

First of all, I would like to thank Allah SWT, thanks for His mercy and guidance in finishing this thesis entitles "*The Implementation of Democracy in Russia under Putin Administration 2000-2004 and 2005-2006*". All the pleasures and obstacles that He gave to me are absolutely signs that He loves me so much. Also thank to my great Prophet, Muhammad SAW, thanks for every single message that He gives to His followers, thanks for His struggling to spread out Islam, the one and only religion blessed by Allah SWT.

This thesis tries to analyze the governmental system in Russia on Putin era, which has superpresidentialism as a form of democracy, in finding their democracy. Vladimir Putin as a President has a strong political power in role his government but his power is overload and uncontrolled by the other institution that make him block the implementation of democracy in Russia.

The thesis would not have been possible without the help of individuals. I would like to thank Bpk. Bambang Sunaryono as my advisor and also the Head of International Relations Department of University of Muhammadiyah Yogyakarta who read and give advices. And other beneficial inputs for my thesis. It was great experience to be guided by her. Mr. Hendro as the language supervisor, Bpk. Sugeng Riyanto as the first examiner and Pak Bambang Wahyu as the second examiner, thanks for their questions and suggestions, I really appreciate that. And thank to the Mr. Nice Guy, Pak Jumari, for his smile and patience to serve me.
