"My deepest appreciation to my father and my mother, without your support and guidance morally and materially I can not finish my study (an undergraduate thesis), and I dedicate my thesis for my parents and all of my ancestors."

MOTTO

"Sesuatu yang besar dimulai dari sekarang yang kecil."

"Engkau berpikir tentang dirimu sebagai seonggok materi semata, padahal di dalam dirimu tersimpan kekuatan tak terbatas." (Ali Bin Abi Thalib)

"Perang terbesar adalah melawan diri kita sendiri."

"Allah tidak mengabulkan doa dari hati yang lengah dan ragu." (Nabi Muhammad SAW)

"Aku memutuskan untuk selalu memiliki kekuatan dan keyakinan diri. Karena aku percaya, aku yakin, aku beriman, bahwa cahaya kekuatan Allah yang menciptakan seluruh isi alam semesta selalu mengalir dalam setiap zona ikhlasku, darah nadi keputusanku, otot-otot pikiranku, serta dalam semua tindakanku. Sebab aku yakin bahwa sebenarnya aku hanyalah alat bagi Allah untuk mewujudkan rencana-rencananya."

(Yogyakarta, October 25th, 2009 at 4 AM)

"Ada dua cara menjalani kehidupan.

Pertama, seolah seperti tidak ada yang ajaib.

Kedua, seolah seperti semuanya adalah ajaib."

(Albert Einstein)

"To say is easy

To do is difficult

To understand is more difficult

And to make one understand is the most difficult."

Dr. Sun Yat Sen

ABSTRACT

The objective of this undergraduate thesis is to explore more details about the efforts of India to become the new economic power in the world under Manmohan Singh government in 2004-2008. This project purposes to know the reasons how the steps of India to become more welfare under Manmohan Singh government. We know that India was extremely poor condition. There are so many Indian citizens lived under the poverty rate. It is because of the failure of its leaders implement the policy. Today, India emerges as the one of fastest growth economic states. The World System Theory and the Industrialization Concept are appropriately explains the phenomena of Indian development progress in recent years. In order to improve its economic growth rate, India attempts to play its role and utilize the opportunity within global market through the important role of India in global economic structure and emerge of industrializations of India massively. Therefore, India has capability to change its status to be better because Manmohan Singh has successfully maximized the India's potential sectors to become new economic power through its steps. Besides, this undergraduate thesis also written in order to fulfill one of the requirements of bachelor degree program in International Relations Department, Faculty of Social and Political Sciences, Muhammadiyah University of Yogyakarta.

THANKS TO

Alhamdulillahirabbil'alamin, my highest praise to my Lord, Allah SWT who always knows my hearth, my feeling and my thought in this section until I could pass my final paper entitled "*The Effort of India to become New Economic Power under Manmohan Singh Government in 2004-2008.*" Shalawat and Salam, I praise for my leader Muhammad SAW and his family.
