ABSTRACT

This Undergraduate Thesis will describe about Thailand general election in 2011, focus on two big parties in Thai general election between Pheu Thai party and Democrat Party by showing about the campaign of both parties to the people in society and how both parties can dominate the people in society to believe their party to develop the country in the future. Thai political system is unstable take a long time because there are protests from the people in Thailand especially the protest from “People’s Alliance for Democracy” and “United Front for Democracy against Dictatorship” this is the big impact to the people in society because the decrease of the economy or the decrease of the education etc. So, this thesis will show you about Pheu Thai Party and Democrat party policies to solve the problem and the ways to inform the campaign to the people in society to believe their party and give vote to that party on Thailand general election in 2011. In this research, the writer use an extensive of relevant published materials such as books, journals, reports, newspaper, official website and other sources a wide variety of topics related with the subject of the topic.

Keywords: Pheu Thai Party, Democrat Party, Campaign, General Election.
