## ACKNOWLEDGEMENTS

A long journey in making this research makes me more grateful and mature to see that to make something happens, one thing should not only be thought but done. Do not think the difficulties too much, but much think about how difficult others to get such a chance.

I have to say my greatest thanks to Allah SWT who always takes care of and blesses me with Your love and mercy, with Your endless and kindness, so I could eventually finish this research. I always come to You and ask for a guidance whenever I find difficulties. I believe that everything happens in my life is under Your power and Your generosity. I am so grateful for all the blessings and never ending guidance from nothing to something.

This research is dedicated to my be love family, my father, Eman Sumantri, my mother, Maskuroh, and my brother Irfan Rifa'i for their unfailing love, support and prayers for me during my study. I would also say thanks to all of my teachers, lecturers who cannot be mentioned one by one, thanks for teaching me, supporting me, helping me and motivating me. I wish I can make all of you proud of me.

Great thanks also go to all of my friends at Play Group, Primary School, Junior High school, Senior High school and also at the university. Thank you for always being good friends of mine and helping me whenever I need. Especially for the girl who is always being by my side to motivate and cheer my life up.

I am very thankful to my perfect supervisor Ms. Fitria Rahmawati, S. Pd., M. Hum. who always kindly supported me with her advice guidance, suggestions,

helps, encouragements, and also motivations during this research writing. I would like deeply thank to Mr. Jati Suryanto as a Dekan of Language Education Faculty, Mr. Gendroyono a.k.a Mr. Roy as a Kaprodi of English Education Department and all the lecturers. I feel having a good fortunate to be student of English Education Department. I have got a lot of experiences, knowledges and I was trained to be more mature in my life. You are all encouraged me to develop to be an autonomous person.

Last but not least, a word of many thanks also goes to SMA Budi Mulia Dua Yogyakarta for being my research setting and also all participants. Thanks for being my research participants and willingness to share their experience as teachers. God bless you!

## **ABSTRACT**

The purpose of this research is to discover teachers' strategies to motivate students to learn English. It is elaborated into two research questions aimed at (a) what strategies used by English teachers at SMA Budi Mulia Dua Yogyakarta to motivate students to learn English, and (b) what is the most effective strategy used by the English teacher at SMA Budi Mulia Dua Yogyakarta.

This research used a qualitative research as a research design. To collect the data, SMA Budi Mulia Dua Yogyakarta was chosen as the setting of the research. The participants of the research were three English teachers of the school that consisted of one female and two males. The participants were chosen based on the willingness to participate to this research, teaching experience for at least 1 year and also at least teaching two classes. This research used interview as a data collecting technique. The data gathered from the interview were analyzed, coded and described.

The findings showed that there were nine strategies used by English teachers at SMA Budi Mulia Dua Yogyakarta. Those strategies were conducting 'My Class is Your Class' activity, making a learning contract, using a variety of attractive techniques, using multimedia, providing appreciations, giving punishment, explaining the importance of the lesson, conducting personal approach and providing feedback. Additionally, based on the finding related to the second research question, there were three most effective strategies considered by English teachers to motivate students to learn English. The three most effective strategies were providing appreciation in form of feedback, making a learning contract, and conducting 'My Class is Your Class' to motivate students to learn English.

*Keywords:* teachers' strategy, teaching strategy, motivation.
