EXTENDED GRATITUDE

Through this page I would like to extend my deepest gratitude for both spiritual and moral support during my college years. I would like to personally thank:

1. First, I would like to thank Allah SWT. for His blessings and grace so that I can finish my thesis. Shalawat and salam may always be poured out to our Prophet Muhammad SAW. to his family, friends, and his followers until the end of time, aamiin allahuma aamiin.
2. My beloved family whom always support every decision I made, including to pursue my higher education in International Relations at Universitas Muhammadiyah Yogyakarta. I would like to thank my parents who are supporting me financially and spiritually during my study here. To my first hero, my first role model to look up to, my father Suhartono who has been encouraging me in every decision I have made. You have taught me to become such a responsible man. To my first love, my guardian angel, my mother Rahayu Sahesti who has been becoming my reason to finish this thesis, I wouldn't be able to stand to this day without your endless love. Your courage for me to never forget worship in Allah SWT. and to be kind to everyone will never be forgotten. And also for being my financial source and assistant, without you I wouldn't be able to value money that I have spent. To my big brother, Ahyad Rosyada Jordiawan, thank you for every deep talk we had during my writing since I'm quite anxious about what should I do next, thank you for every penny you spend on me and our little brother, Yodha Al-Ghifari, my little whom not so little anymore, thank you for accompanying me whenever I went home so I wouldn't feel lonely.

3. To BRI Kantor Cabang Kendal, thank you for having my mother to work there so every pennies I have spent since the day I was born till now is belong to you. I do owe you a lot.
4. To Kyai Haji Ahmad Dahlan for his founding on Muhammadiyah that leads to the establishment of Universitas Muhammadiyah Yogyakarta, without him I may not be able to pursue higher education.
5. Sir Ali Muhammad S.IP., M.A., P.hD., for every lesson you have taught, feedbacks you have given on advising my writing on this thesis. I am beyond grateful to have Sir as my advisor that don't think I want other lecturer to be my advisor.
6. My day one in college, my 24/7, my rescue call, my beginning and hopefully no ends for us, Nabila Rizky Sri Handayani, you are such a great friend I have no idea why do we became friend, we literally spend time almost more than 24 hours a day. I will never forget the day we flew on ringroad though. Salma Avia Permata Putri, they say Aries couldn't get along with Scorpio, but we did make it. Too many similarity we had. Although little fight ever came between us, but you are the person who have always helped me to keep sane from my unreasonable imagination. Chaliza Nurul Usman, my bu haji to my inside satan, words cannot explain how much I love you that I kind of tired to listen to every jokes you throw but I love you anyway. And thank you for a sudden wise word that I'm not ready to listen sometimes. Rizky Ihza Pratama Isman, my new dorm-mate that always looked annoyed every time we see each other. My urgent call since we lived in the same place. I know you love me. Miraj Maghfiah, she isn't really my day one but somehow we managed to get close because of exploring each other's side (you know what side), and thank you for

- your versatility on being humorous and smart at the same time.
7. To IPIREL 16, I'm blessed to have such a solid college mates, gladly we kind of have same frequencies that we managed to have blasted event, from Cambridge 2016 to Prom 2020. With you, IPIREL is a bit bearable.
 8. *SEA UMY*, my first and only organization during my college year, there is no regret to call you as my family. I found many person I can look up to, I can lean on. Taught so many lessons that surely I can take the knowledge for my future.
 9. *Speaking SEA UMY*, I was a bit bumped at first when I found out that I got in the department I didn't want to, but it turns out I have such a blast and fun to know the person within the department. I won't forget every important moment with you guys.
 10. To Keluarga LO BHP UMY, for believing in me to participate in your event, and putting trust on me to handle the guests, I got chances to meet important people that I learn a lot from them.
 11. To Keluarga Paguyuban Dimas Diajeng Kota Jogja, for choosing me become one of your family, meeting new people always a nerve wracking for me, but because of this, I learn and grow to be more humble and open to new people. I'm forever grateful to become a part of this family.
 12. To Keluarga Prasetyo WO, especially mbak Shika for introducing me to them, that I have such a blessed time to spend time and learn on handling bigger event. And to mas Dendi Prasetyo as the owner for trusting me to participate in this family. Words cannot explain how much grateful I am to be in this family.
 13. To Arrow All-Stars Cheerleader Yogyakarta, for letting me try my dream to become a cheerleader, all those bruises and

tears and blood are all worth. This sport has taught me that what is seem to be easy, is not as easy as you would thought.

14. And last but not lease, to myself. Thank you for not giving up despite of every anxious night and sudden sadness or mood swing I have, I cannot believe that I finally can finish what I have started. Thank you for not giving up, you finally made it. This is the only beginning of greater things to come, so be prepared. You have made this far. Thank you, myself.
