Alhamdulillahirabbil'alamin, all praises be to Allah, the Lord of the word, the most gracious, the almighty, who has given His blessing and guidance. Finally, I have successfully accomplished my undergraduate thesis entitled "THE EFFECTIVENESS OF DISPUTE SETTLEMENT ON THE RESULT OF PRESIDENTIAL ELECTION 2014 IN THE CONSTITUTIONAL COURT". Shalawat and salam to our prophet Muhammad SAW who has brought us from the darkness to the lightness.

First of all, let me express my deepest gratitude to my parents, Ahmad Suroso and Elmi Darni, for their love and encouragement to me to complete this undergraduate thesis. I would like to thank my lovely sister, Nuraini and Indah Mawarni and the one and only my handsome brother Chairul Anwar (Anang).

I would like to express my appreciation to my both advisors who have guided me in finishing undergraduate thesis, Mrs. Nanik Prasetyoningsih, S.H., M.H. as the first Advisor and Mr. Iwan Satriawan, S.H., MCL. as the second Advisor.

The very most thanks I delivered to Nurputri Dwi Pangestu, S.IP. as the best and closest partner in everything especially for her support, motivation,

Finally, I realize there are unintended errors in writing this undergraduate thesis. I would be very pleased if all readers to give their suggestions in order to improve its content to make it a good example to the next research.
