Declared by,

MADIHAH BINTI ABDULLAH

ACKNOWLEDGEMENT

Alhamdulillah I assign to Allah SWT, for all the grace and opportunity that he gives in completing my final task with all flaws. Thanks to Allah fro giving me the people around me who always support and pray fro me so that this thesis can be completed.

Hereby, I presented this thesis to;

1. My beloved parent, Ummi and Baba

All my struggles up to this point, I presents to the most precious people of my life. Because of them, my life feels so easy and full of happiness. Thank you for always keeping me in your prayers and always letting me pursue my dreams. Thank you so much. I love both of you.

2. My beloved family members (Adik Mu'az, Bang Chik, Adik Manal, Diyana and Hayat)

There is no most precious time in my life other than spending time with all of you. Thank you so much for the love, support and pray. I love all of you so much.

3. My beloved classmates

Without all of you my life at the campus will be lonely. I will not be able to have a happy and joyful life in Indonesia. I am really sorry for many mistakes and things that that I can't expressed. Thank you so much for always being there for me until I can finish this study. I love all of you.
