FOREWORDS

Assalamu'alaikumWr. Wb.

My gratitude I pray for the presence of Allah who has given grace and His gift to this undergraduate thesis, therefore, this can be completed on time. This thesis is a requirement that must be met to obtain a bachelor's degree in the Department of International Relations at the University of Muhammadiyah Yogyakarta entitled **“Taiwan Strategy and Diplomacy in Response to One-china Policy, Under ma Ying Jeou’s Administration 2008-2015”**.

This thesis writing is driven by the curiosity of the writer about the ambiguity of Taiwan international status, How Taiwan maintain its security and sovereignty under the suppression of China with its One China Policy and also the growing threat in economic and military .

The writer aware that this undergraduate thesis is still far from the perfect one and there are still many flaws. However, the writer hopes that this undergraduate thesis will be useful in the future, for the writing of further research. The writer would like to thank for all the support and assistances from all parties, and apologize for any flaws and mistakes.
