## QUOTE

“Science without Conscience is a Collapse Soul”

“Try not to become a man of success, but rather try to become a man of value.” (Albert Einstein)

“It would be possible to describe everything scientifically, but it would make no sense; it would be without meaning, as if you described a Beethoven symphony as a variation of wave pressure.” (Albert Einstein)

## **FOREWORD**

Assalamu'alaikumWr. Wb.

Alhamdulillah. All praises and thanksgiving be to Allah for His unstop Blessing, the Lord of the world. Bless Muhammad (pbuh) and his blessed family and grant them peace. Because of Him, this undergraduate thesis entitled Turkey Response about China Discriminative Policy towards Uyghur People can be finished and completed.

This undergraduate thesis is presented as partial fulfillment of the requirement for the degree of Sarjana Ilmu Politik (S.IP) in the Department of International Relations, Social and Political Sciences Faculty, as a result of my years of learning in University of Muhammadiyah Yogyakarta. I realize that this thesis still has many shortcomings, but I wish that this thesis will contribute to the development of International Relations and to the related issue of my thesis.
