MOTTO

“Four things support the world: the learning of the wise, the justice of the great, the prayers of the good, and the valor of the brave”

Prophet Muhammad SAW

Seek (beneficial) knowledge, because seeking it for the sake of Allah SWT is worship. And knowing it makes you more God-fearing; and searching for it is jihad, teaching it to those who do not know is charity, reviewing and learning it more is like tasbeeh. Through knowledge Allah will be known and worshiped.”

Ibn Taymiyyah

“Failure is the condiment that gives success its flavor.”

Truman Capote

“It does not matter where you go and what you study, what matters most is what you share with yourself and the world.”

Santosh Kalwar

“Endless effort, endless endurance, endless modesty.”
