EXTENDED GRATITUDE

Being an IRs student is such an unintentionally dream. Through this page, I would like to express my best regards and gratitude to all supportive actors in supporting my bachelor degree in UMY. Before that, my deepest gratitude belongs to almighty Allah SWT who has given me blessings and mercies during my life.

- First, I would like to thank my family, Akhmad Marsudi., S.IP., S.Pt., M.P, Nur Fatikhah, A.md, and Abyan Farhan. Thank you for giving me supports and encouragements in ups and downs.
- Second, to all lecturers in IRs UMY, without their helps and knowledges, I am nothing. Indirectly, they motivated me to accomplish this bachelor degree as soon as possible.
- Then, to all of ISLAH JOGJA 19 members. They are old friends who know me well. More than 6 years we have been together and still counting until now. Feeling comfort with their jokes and supports. We never know how many chances we left. For sure, I will be back for remembering the old memories.
- To all of Gasyung members. My business partners. Ary, Lalak, Ijal, Rahmad, Dhony, Wira. They are supposed to be a survivor. We experienced a bad situation, and we can grow together. I tended with the word “experience is the best teacher”. Each of us can go further with own style. Just go!
- Giving my gratitude to my go-partner. The ones who directly “go” for everything. Cikun in Bantul and Fajrul, Jamol in Kaliurang. They gave me a time to fulfil my leisure time with them. Even only for lunch, dinner or breakfast.
- To all of KKN Davao 2019 members, we are together until the last minutes. We struggled for every ideal we

wanted but somehow, we nailed it. Especially to my team. Gensan squad, Alya, Cikun, Ary, Doni, Gilang, Hasimi, Kodong, Rahmad, Wira, Zeniv, Abu, Deva, Mba Ikko, and Heny. 15 fighters who gathered in one circle. Knowing what they like and dislike in every morning. It should be remembered.

- To my partners in ASEAN Youth General Forum 4.0, especially to Miraj, Ahmad, and Ludhi. It was such a good experience for me to learn together in conducting international event. Thank you for being good partners.
- Especially to my advisor. Ali Maksum., Ph.D, the examiners in seminar proposal Dr. Sidik Jatmika, Sidiq Ahmadi., M.A., and also examiners in thesis defense Prof. Bambang Cipto., M.A and Siti Muslikhati. S.IP., M.Si. Thank you for inputs and suggestions for completing my thesis.
- Lastly, to my beloved friends in HI-IPIREL in every batch who support me in achieving this bachelor degree. Personally, I would like to give you big thanks to motivate me in SH Ipirel or other occasions we met. May Allah bless us in every step.
