ABSTRACT

October 12, 2002 Bali bomb was a long debate about Islam, the Islamic movement, Islamic jihad. After events the Bali bombings are frequent a lot of debate and a deeper understanding of each other's different about the meaning and significance of jihad among Muslims themselves who have the doctrine and concept of jihad. One of the film discuss about the incident of the Bali bombing I and discussed about jihad, is the Prison and Paradise. In this film we see bias in two different understandings of jihad. The first understanding that understanding jihad from the point of view of the perpetrators of the Bali bombing I stating that the detonation of bombs and terror is a thing that is allowed in the running of jihad. Then understanding the second, represented by Noor Huda stating that jihad and terror were different, and commercial ventures that unjustified bombing by the proposition of jihad. One of the important points in this movie is religion a person equal and certainly one at God then the same educational background between Noor Huda and bomber, but have different understanding regarding one value of Islam. This research is the reception analysis alumni pondok pesantren Al-Mukmin Ngruki against jihad in Prison and Paradise. The goal of this research is to find acceptance from the Alumni cottage pesantren Al-Mukmin Ngruki against jihad message that is displayed in the Prison and Paradise .The theory name of reception is used in this research is the audience analysis and reception analysis. In this research, which became the object of research is the alumni cottage pesantren Al-Mukmin Ngruki. Although they have the same educational background in a boarding school, but background education, guidelines, their jobs after graduating from pondok pesantren affect acceptance of the jihad message

Alumni Pondok Pesantren Al-Mukmin Ngruki
