PERNYATAAN KEASLIAN TULISAN

Saya yang bertanda tangan dibawah ini

Nama : Muhammad Wildan Hari Subagya Haryono

NIM : 20040340045

Program Studi : Kedokteran Gigi

Fakultas : Kedokteran

Menyatakan dengan sebenarnya bahwa Karya Tulis Ilmiah yang saya tulis ini benar-benar merupakan hasil karya saya sendiri dan belum diajukan dalam bentuk apapun kepada perguruan tinggi manapun. Sumber informasi yang berasal atau dikutip dari karya yang diterbitkan maupun tidak diterbitkan dari penulis lain telah disebutkan dalam teks dan dicantumkan dalam Daftar Pustaka dibagian akhir Karya Tulis Ilmiah ini.

Apabila dikemudian hari terbukti atau dapat dibuktikan skripsi ini hasil jiplakan, maka saya bersedia menerima sanksi atas perbuatan tersebut.

Yogyakarta, 15 Februari 2008

KATA MUTIARA

Hari inilah hari terpenting dalam kehidupan saya
Kemarin dengan sukses dan kemenangannya,
Pergumulan dan kegagalannya,
Sudah lewat selamanya.
Masa lalu telah lalu, lewat. Selesai.
Saya tidak mungkin menghidupkannya kembali.
Saya tidak mungkin kembali dan mengubahnya

Tetapi saya akan belajar darinya dan tingkatkan hari ini
Hari ini. Saat ini. Sekarang
Inilah karunia ALLAH kepada saya
Dan hanya inilah yang saya punyai

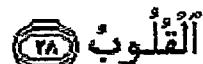

Hari esok dengan segala suka-dukanya,
Kemenangan dan kekalahannya, belum tiba
Bahkan hari esok belum tentu datang
Jadi, saya tidak akan khawatirkan hari esok.

Hari inilah yang telah ALLAH percayakan kepada saya
Hanya inilah yang saya punyai.
Saya akan berbuat dengan sebaik-baiknya dalam hari ini
Dan setelah hari ini selesai, saya akan menengok ke belakang dengan puas
Melihat apa yang telah saya capai

Barulah, akan saya rencanakan hari esok
Buat yang lebih baik dari hari ini dengan pertolongan ALLAH

Bagi saya, Hari ini penting
Dan satu-satunya persiapan yang baik untuk esok hanyalah
Gunakan hari ini dengan benar, karena, Hari ini penting

الَّذِينَ عَمِلُوا وَتَطْمَئِنُ قُلُوبُهُمْ بِذِكْرِ اللَّهِ لَا يَذْكُرُ اللَّهُ تَطْمَئِنُ

"(yaitu) orang-orang yang beriman dan hati mereka menjadi tenram dengan mengingat Allah. Ingatlah, hanya dengan mengingat Allah-lah hati menjadi tenteram" (QS. Ar-Ra`du : 28)

CONTINUATION

and the following day he was again at the station, and I was able to get him to go with me to the village of *Uk*, where we found a number of people who had been captured by the rebels.

On the 10th of April, I went to *Uk* again, and found that the rebels had captured a number of people, among whom were some women and children. They were all bound and gagged, and were being held in a small room.

On the 11th of April, I went to *Uk* again, and found that the rebels had captured a number of people, among whom were some women and children. They were all bound and gagged, and were being held in a small room.

On the 12th of April, I went to *Uk* again, and found that the rebels had captured a number of people, among whom were some women and children. They were all bound and gagged, and were being held in a small room.

On the 13th of April, I went to *Uk* again, and found that the rebels had captured a number of people, among whom were some women and children. They were all bound and gagged, and were being held in a small room.

On the 14th of April, I went to *Uk* again, and found that the rebels had captured a number of people, among whom were some women and children. They were all bound and gagged, and were being held in a small room.

CONTINUATION

On the 15th of April, I went to *Uk* again, and found that the rebels had captured a number of people, among whom were some women and children. They were all bound and gagged, and were being held in a small room.

On the 16th of April, I went to *Uk* again, and found that the rebels had captured a number of people, among whom were some women and children. They were all bound and gagged, and were being held in a small room.

On the 17th of April, I went to *Uk* again, and found that the rebels had captured a number of people, among whom were some women and children. They were all bound and gagged, and were being held in a small room.

KATA PENGANTAR

Assalamu `alaikum Wr. Wb,

Alhamdulillah penulis panjatkan ke hadirat Allah SWT yang selalu memberikan rahmat dan hidayah-Nya sehingga karya tulis ilmiah Kedokteran Gigi, Pengaruh Konsentrasi Lidokain terhadap Bakteri *Streptococcus mutans* ini dapat penulis selesaikan.

Penulis menyadari bahwa pelaksanaan karya tulis ilmiah ini tidak lepas dari bimbingan dan bantuan banyak pihak. Oleh karena itu, kami mengucapkan terima kasih yang sedalam-dalamnya kepada :

1. Dr. H. Erwin Santoso, Sp.A, M.Kes. Selaku Dekan Fakultas Kedokteran Universitas Muhammadiyah Yogyakarta.
2. drg. Poerwati Soetji Rahayoe, Sp. BM. selaku pembimbing yang telah rela meluangkan waktu untuk berdiskusi dengan penulis dalam penggerjaan karya tulis ilmiah ini.
3. drg. Tita, Sp. Orth, drg. Any Setyawati, Sp. KG. sebagai pembimbing ke-2 karya tulis ilmiah yang telah banyak memberikan himbauan, masukan dan kritikan mengenai pelaksanaan karya tulis ilmiah ini.
4. drg. Atiek Driana R. sebagai pembimbing tata cara penulisan yang telah

BEST OF BOTH WORLDS

It's a well-known fact that the best way to learn something is to do it.

That's why we've created a special new combination of books and software:

The *IDEAS* book and CD-ROM combination gives you the best of both worlds:

the book's detailed, step-by-step instructions and the CD-ROM's hands-on, interactive

learning environment.

5. drg. Ana Medawati, M.Kes. selaku penanggung jawab blok metodologi penelitian dan blok elektif yang telah memberikan perhatian yang membangun kepada penulis dalam hal memberikan motivasi.
6. Seluruh Dosen Kedokteran Gigi Universitas Muhammadiyah Yogyakarta yang banyak memberikan motivasi, senyum dan bimbingannya.
7. Kedua orang tua penulis, Hank Haryono, Bsc dan Aida Ratna R yang dengan penuh perhatian memberikan motivasi dan dorongan baik berupa biaya, cinta maupun spirit yang membangun.
8. Kedua kakak kandung penulis, Muhammad Erwin Ashari Haryono, ST, MT beserta istri RA. Tisya Meliana, ST, MM dan Heidytia Dwi Kurniawati Haryono, ST. beserta suami Kapten Lek Akhmad Mustofa, ST yang selalu memberikan masukan dalam hal pengalaman dan perhatian pada penulis.
9. Eyangku Prodjo tersayang yang senantiasa mendoakan kesuksesan penulis, semoga beliau sehat dan panjang umur , serta keponakan barn penulis, Pasha Gagah Adithya Mustafa yang selalu memberikan hiburan tersendiri dan pemberi semangat penulis.
10. *Sparring partner* penulis, Fitriah Zahara yang selalu memberikan kritik, saran, cinta dan perhatiaannya. *I Love You Dear.*
11. Teman satu penelitianku, Etny Dyah yang telah membantu memberikan semangat, dukungan dan curhatan penulis.
12. Teman karib penulis, Khrisnawan Adi Nugroho yang telah sudi menjadi

13. Teman-teman angkatan 2004 Kedokteran Gigi UMY, yang telah memberikan doa dan semangat dalam proses pembelajaran selama di Kedokteran Gigi. Semoga persaudaraan kita tidak akan habis dimakan waktu.
14. Teman-teman X6, Haka, Angga, Benard, Anggi, Ghani
15. Pihak lain yang tidak disebutkan satu-persatu.

Penulis menyadari bahwa karya tulis ilmiah ini masih banyak terdapat kekurangan. Oleh karena itu kritik dan saran dari pembaca sangat penulis hargai dan harapkan. Besar harapan penulis agar karya tulis ilmiah ini dapat bermanfaat.

Semoga Allah SWT memberikan balasan yang berlipat ganda kepada semua pihak yang telah membantu penulis, dan menjadikannya sebagai tabungan amal bagi kita di akhirat kelak.

Wassalamu'alaikum Wr. Wb
