Acknowledgement

Bismillahirrohmanirrohim, firstly, I gratefully thank to Allah SWT for blessing me from the start until now. Because of His Mercy, I can standing and finished all my works on this undergraduate thesis. Secondly, I heartily thank to my parents for always gave me support system in my life and send me the prays. Thanks for always give me an opportunity to tried all the new things that I want. I owe everything to my parents. Thank you for being patient and enduring this situation. Although this thesis is made at the end, but thank you for always believing that I can finish this. To my beloved brother, Andika Dian Hidayanto (Masika) thank you for always listening my story about the ups and downs I finished on this thesis and I believe that you too are able to complete your research. Then, I also owe my gratitude to my family in Magelang and Enrekang.

I sincerely thank you for Mr. Gendroyono and Mr. Suryanto as my skripsi supervisor. Thank you for always guiding me to finished my undergraduate thesis. Then, I would like to say thank you to Ms. Evi, Ms. Eko and Ms. Indah as my experts judgement to my research instrument. Furthermore, I also sincerely thank you to Ms. Arifah who gave me permission to complete my data by gave me the result score of her courses. And also thank you for all my respondent to complete my data, may Allah SWT bless youall.

For the deepest of my heart, thank you to my fiance, mas Singgih Ainin Muttaqin for always supporting, motivating and teach me about this life. Thank you

for always believing me that I can finished at all. And thank you for always in my side in my ups and downs inlife.

Finally, I thank to all my classmate CCU 2015, KKN Mandiri Genesisia batch 3 and also MAPALA UMY for being me a part of the family and giving me such an amazing experiences that I have never had before. Thank you for making my college life is meaningful. I love you ALL.
