MOTTO

"We Dream + We Stumble + We Pursue"

“I Just Wanna Be Happy. Not Confused, Not

Hurt, Not Stressed, Just Happy”

“Time is like a sword, if you do not cut it down, then it is the one who cut you down. And your soul if you're not preoccupied with the truth, then it'll preoccupy you with falsehood.”

DEDICATION PAGE

I will dedicate this thesis to all those who have given motivation, enthusiasm, and continuous support from the beginning of college in 2018 until now in 2021. Therefore, with great joy and pride, the author would like to express his deepest gratitude to:

1. ALLAH SWT who has provided ease and smoothness in and endless enjoyment, so that i as author can complete this thesis well.
2. Thank you to my Mama for the pressure, expectations, materials, and the best prayers so far to my father who has passed away first to rahmatullah for providing extraordinary enthusiasm, material and education, as well as prayers that are always said without getting bored for the success of their second child in the overseas.
3. Thank you to my sister who never attended and only had the title of sister because she was born in the same family, thank you to my younger siblings who sometimes help, and thank you to all of my big family for their prayers and help while i was in overseas..
4. Thank you to my best friend the peak (Zhafira Liviana, Ulya Auliani, Puteri Vebry Ananda) for more than 6 years, thank you also for being my encouragement, my julid place too, even though there are different paths but still trying to always be there and gather in my life, thank you very much, just really love, I don't know what to say anymore, love for you, you guys are precious to me.

5. Thank you to my comrade in arms Octavia Diah Lestari who has become my foundation in my thesis, assignments, julid lovers, live on campus, I'm without you in college like a grain of dust, it's really great for almost 3 years and i dont know why when we new students doesnt get to know each other soon, but Basically, thank you so much, I don't know what else to say, I really want to thank you.

6. Thank you to my gabut friend, Afifah Praya Utami who has been an encouragement, my *Julid* friend at the beginning we entered IGOV but you moved, even though you moved you were always a skuy when invited to play, I also made many memories as your matchmaker and others, just thank you very much my life is really fun as well.

7. Thanks also to my *Gabut* friends, one more Karina Elok Tri Pangestu who has become an encouragement, thrift lovers, julid lovers too, my apprentice friends too, thesis friends too, 2 months at your house was a very pleasant experience for me from your family to my acquaintances in pacitan really thank you very much karin love.

8. Thank you to my boarding friends, Kost Naima Noni Pradika Sari and Nata, who have listened to my conversation, are encouraging, I often bother, and I owe you money, i really thank you very much, my life and dead in Kost Naima, wkwkwk. And also my former boarding house friend Aulia Rahmi who also doubles as my classmate and Inggi even though it's a bit short, thank you very much for being an encouragement in my life and my thesis.

9. Thank you to the boarding house mother and family who have encouraged

me too, even though I often miss my boarding house payment but mother understands, I am very grateful for the help while I am overseas.

10. Thank you to Mrs. Arin's umbrella thesis group friends (Nahda, Ririn, Jeje, Melda, Gendis, Febri) who helped direct and guide the thesis on the right path.

11. Thank you to all my friends from the 2018 class at IGOV, even though you only met offline for over a year, you guys are really the best, thank you very much for the memories and support during class.

12. Thank you for the KKN 210 family (annash, ema, nita, tari, uki, firly, and rasyid) Thank you for being together for more than a month we are together full of memories and joys and sorrows the difficulties we face together good luck to all of us.

13. Thank you to my high school friends (vebby, wulan, risna, tika) who sometimes still meet even though it's difficult, thank you for the support and help while I'm still overseas.

14. Thank you to relatives and friends who have provided support and contributed during the work of this thesis so that it can be completed properly, sorry I can't mention one by one because there are too many.

15. Last but not least, I wanna thank me, I wanna thank me for believing in me, I wanna thank me for doing all this hard work, I wanna thank me for having no days off, I wanna thank me for never quitting, I wanna thank me for always being a giver and tryna give more than I receive, I wanna thank me for tryna do more right than wrong, I wanna thank me for just being me at all time.
