DEDICATION PAGE

Alhamdulillah, thanks to Allah SWT, the researcher is able to complete this thesis due to His will and pleasure. The researcher recognizes that he or she will not be able to complete the thesis without the assistance and support of various parties. All of those who have assisted the researcher are especially appreciated. The researcher received moral and financial support as well as instruction and assistance from a variety of sources. On this occasion, the author wishes to thank:

1. Allah SWT with all His graces and gifts who provide strength and patience for the researchers in completing this thesis.
2. To my beloved family, my two beloved parents, Mr. H. Maryadi and Mrs. Hj. Rokhayati, S.Pd, Who always encourages supports, and prays for me in the process of writing this thesis.
3. For my little sister, Adila Mutiara Putri and my youngest brother, Althaf Sarfaraz Elramdan who has always been an entertainer and encouragement when I was saturated in composing this thesis.
4. Rendy Derio Ramadhan, a man who always encourages and prays for me, someone who always supports me, is always there when I need it, and continues to support me when I am down while working on this thesis.
5. To Nurfitriana, my thesis comrade who is always there to listen to the complaints of life and always supports me on this thesis.
6. To my friends, Nanda, Rini, Mei, people who always listen to complaints and people who are always there and never leave me even though I'm in the life phase below.
7. Rieke and Pingkan, my little friends who are always there and always support and pray for me, always encourage me in writing this thesis.
8. My silly friends, Bobil, Nindy, Tamara, Desta, Hapi, Fathin, and Rahma always cheer me up.
9. And also, my friends who I cannot mention one by one, I am very grateful for being a good and positive person in my environment.

PREFACE

Assalamu'alaikum Wr, Wb. With praise and gratitude to Allah SWT for all His grace and guidance that has been given to me so that I can complete this research entitled Responsive Government in IT-Based Public Policy Innovation (Case Study: 2022 Development Planning (RKPD) Magelang Regency) as one of the requirements to obtain a Bachelor degree in Government Science Department, Faculty of Social and Political Sciences, Universitas Muhammadiyah Yogyakarta. Prayers and greetings to our lord Prophet Muhammad SAW, who has become a good role model for his people and does good. This research is structured as one of the graduation requirements for every student of Universitas Muhammadiyah Yogyakarta. In addition, it is also proof that students have completed the undergraduate level study and obtained a Bachelor of Governmental Science degree. The author realizes that this thesis is far from perfect, therefore with the author expecting advice and receiving criticism from various parties to be the input material in perfecting this thesis. For this reason, the author would like to express his deep gratitude to:

1. Dr. Ir. Gunawan Budiyanto, M.P, the Rector of Universitas Muhammadiyah Yogyakarta.
