Declare that this thesis with the title: "THE DETERMINANTS THE LEVEL OF E-GOVERNMENT TRANSPARENCY ON LOCAL GOVERNMENT WEBSITES (Study of Java and DIY Local Government)" there is no work that has ever been submitted to obtain a bachelor's degree at a university, and to the best of my knowledge there is also no work or opinion that has ever been submitted, written or published by another person, except those referred to in writing in this manuscript and mentioned in the Bibliography. If it turns out that in this thesis it is known that there are works or opinions that have been written or published by other people, then I am willing to cancel the work.
