لَوْ أَنَّكُمْ كُنْتُمْ تَوَكَّلُونَ عَلَى اللَّهِ حَقَّ تَوَكُّلِهِ لَرُزِقْتُمْ كَمَا يُرْزَقُ الطَّيْرُ تَغْدُو خِمَاصًا وَتَرُوحُ بِطَانًا

“If you truly put your trust in Allah, Allah will surely provide you with sustenance as birds are provided with sustenance. Go out in the morning hungry then come home full.”

(HR. Tirmidzi no. 2344. Validated by Albani)

"Deeds that are more beloved to Allah are those that are continuously done, even if they are small."

(HR. Bukhari dan Muslim)

Acknowledgement

Bismillahirrahmannirrahiim. First of all, I praise and thank Allah SWT who always gives me blessing and healthy that made me able to complete this *skripsi*. Then, thank to prophet Muhammad *Sallallahu Alaihi Wasallam* who has always been the best source of inspiration and role model for Muslims. There is no denying that it took a lot of effort to complete this undergraduate *skripsi*. However, this work would not have been completed without the people around me who support and help me. First, I would like to thank and appreciate to my supervisor Mrs. Maryam Sorohiti, for the patience, advice, and motivation that has been given to me. She has always calmed and provided enlightenment during the work of this research until the completion of this *skripsi*. This undergraduate *skripsi* would not have been completed without her help. Also, I would like to thank to Mrs. Ika Wahyuni Lestari, as my first examiner. I would like to thank for the feedback that she gave so my *skripsi* has become better in terms of organization and content. Also, I would like to thank to Mrs. Arifah Mardiningrum, as my second examiner for the enlightenment.

Second, I dedicate this undergraduate research to my beloved parents, Mrs. Sarmini and Mr. Sukisno. Those who are always there for me at all the times regardless of the conditions, give their love, prayers, support, advice, and who always work hard for me to complete this education. Being the only child is a big hope for my parents and the achievement of completing this *skripsi* is one of them. Although my achievements will never be comparable to the hard work and prayers of my parents who always flow for me.

Third, I am very grateful to my friends and relatives who have become my second family. They are Abang, Dewi Amalia, Oktaviana, Nurul, and Fina for all the endless support and assistance they have given to me. Did not forget to all Class A 2018 friends who always fight together at our beloved campus, UMY. Thank you for all the memories I could not have met if I did not know all of you.

Last but not least, I would like to thank Kopma UMY for giving me life lessons and experiences during the two periods I joined. Besides that, I also thank my friends from the IT 162 2021 KKN group who have completed the

KKN at that time in an extraordinary way! Also, I would like to thank all the staff and lecturers of PBI UMY who are very extraordinary for the services and knowledge they provide to all PBI students. Last, thank you to Fathia Izzati who has been my inspiration in collecting this research data and all participants who I cannot mention one by one who have helped me in realizing this *skripsi*.
