This research would not have been possible without Allah SWT. Thank you to Allah SWT for making me a strong woman to finish this study and always be there for me. Second, thank you Miss Maryam for trusting and supporting me always. You are a kind figure of a mother. I am so thankful that I met you as my lecturer and I admire you so much ever since the beginning. I wish everything works well for you, Miss. Also, I want to thank my father, mother, and my brother whom always supports me financially. Although I didn't feel any emotional support from my own families, I still believe that they put me into their prayers every day. I also lost my sweet grandmother in the process of this *skripsi* and it was painful to remember, but I wish that she was in a better place now.

Also, thank you for all my friends in Lahat and Jogja. I am so grateful to be friends with all of them and thank you for listening to all of my stories. We shared the same struggles and I was glad we can get through it together. Last but not least, thank you to myself for being able to get through all the struggles.
