MOTTO

Allah does not burden a person but according to his ability. He gets a reward (from the good) that he works for and he gets the punishment (from the evil) that he does. (They pray): "Our Lord, do not punish us if we forget or we are wrong. O our Lord, do not burden us as heavy as you burdened those before us. O our Lord, do not carry on us what we cannot bear. Forgive us; forgive us; and have mercy on us. You are our Helper, so help us against a people who disbelieve."
