MOTTO

Actually, after hardship there is ease. So when you have finished (from a business) do it in earnest (another affair).

- *QS. Al-Insyirah: 6-7* -

TRIBUTE

This Undergraduate Thesis I dedicated to myself,

My beloved family, Mama, Bapak, My younger sister.

Thank you for always being there for me and being my support system.

ACKNOWLEDGEMENT

Bismillahirrahmanirahim

Assalamu'alaikum wa rahmatullahi wa barakatuh

All praise to the God Almighty Allah S.W.T the most gracious and merciful for His guidance and blessing during this research is conducted. Peace and salutation always be to the Prophet Muhammad peace be upon him altogether with his accompanies.

This undergraduate thesis entitled “**Determinants of Economic Growth in ASEAN Countries (Indonesia, Malaysia, Singapore, Thailand, and the Philippines) for the period 2010-2019**” has been made as partial fulfillment for the requirement to achieve the bachelor's degree of economics. Then, I would like to thank all people who have contributed and special appreciation to the parties. They are:

1. Allah SWT as the Lord of the worlds who has given the ease and fluency in completing this research to me.
2. Thanks to myself for doing all this hard work and struggling through all the obstacles.
3. My father, mother, and my younger sister always give encouragement and attention to me so that they can complete this research.
4. Dr. Lilies Setiartiti,S.E.,M.Si as my first supervisor for her guidance, understanding, patience and most importantly, she has provided positive encouragement and a warm spirit to finish this thesis. It has been a great pleasure and honor to have her as my supervisor.
5. Mrs. Dr. Dessy Rachmawatie as my second supervisor, who is full of patience in guiding and providing input during the process of preparing this thesis.
6. My friend Rayi, April, Anita, Yusril, thank you for each support and lesson you have given me during my ups and downs. Bunch of thanks for always being a shoulder could lean on and stand up for me and don't let me down.
7. All my IPIEF 2017 friends, thank you for your support and helping me, thank you for the memories and life lessons that have been created during college. I wish all of us success in the future like what we expect.
8. For all lecturers and staff of IPIEF who always provided outstanding supplies, lessons and all parties who have provided support to this thesis can be solved.

9. My beloved Almamater Muhammadiyah University of Yogyakarta where I can complete my studies, meet amazing people and get so much new knowledge and experiences.

In addition, to people above and other people and parties out there the author could not mention one by one. Thank you for giving me much support and help during the writing of this undergraduate thesis. However, the author, by this chance would like to express gratitude, thank you and send best regards to all unstated parties in the hopes that Allah will bless all the mentioned and unmentioned parties with their kindness. May God shower the above cited personalities with success and honor in their life.
