ACKNOWLEDGEMENT

In the name of Allah SWT, the most beneficent and merciful. All praise is merely to the mightiest Allah SWT, the lord of the universe, for the gracious mercy and tremendous blessing that enable me to accomplish this undergraduate thesis. May the peace and blessings be upon to the son of Abdullah and the baby of Aminah who was born on the land of barren and arid, who was sent by Allah to guide all the universe for the kindness and intelligence, a mercy for his family, and his companions.

The author would like to express from the deepest of his heart to all those who have contributed in the process of finishing this undergraduate thesis, especially for the supervisor of this undergraduate thesis, Adde Marup Wirasenjaya, S.IP., M.A, also for all of the board examiners, Siti Muslikhati, S.IP., M.A and Sidiq Ahmadi, S.IP., M.A. To all of my lecturers who have taught and provided knowledge since I started lectures until I completed this thesis. The author does believe that without the helping and guidance from those honorable persons, this undergraduate thesis will not be finished properly.

This undergraduate thesis entitled **“ASIAN INFRASTRUCTURE INVESTMENT BANK AS INSTRUMENT FOR CHINA’S POWER EXPANSION”** was written as one of the requirements for obtaining Bachelor of Political Science Degree and to be submitted to the Department of International Relation Program of International Relation, the author has limitation and realizes that this thesis is far from perfect. Therefore, the author expects that there will be criticism and suggestions for the perfections of this thesis in the future. Hopefully, this undergraduate thesis might be useful to enrich the international relations studies, especially for foreign policies of China Government in the future.
