QUITATION

“Life is what we can’t expect, we can’t just live with probability. Don’t rely on what others tell you to do, have a firm grasp and do something you like according to your own initiative. Even if the words that came to you aren’t beautiful, just ignore it. If you give tit for tat, you might stay up all night doing that. Initially, you’d have ended it reasonably with nice words. Bad words won’t end, nitpicking won’t end. Just ignore it. No matter how fast time flies, I will make sure not to miss the value of things.”
