ACKNOWLEDGEMENT

In the Name of Allah, the Most Gracious, the Most Merciful

I will express the biggest gratitude to the Lord of the Moon, Stars, and Universe, Allah SWT, for that without His immense help in everything I do, I would not be able to accomplish anything in life. Peace and blessings for the prophet Muhammas SAW who has the softest heart and the strongest spirit who keeps inspiring the writer.

I would like to express my gratitude to my beloved Bunda, Dewi Haryati Sutomo for sparking my interest in the world's matters, discussion, and studies. Also, much thanks for my Abah, Ir. Adwi Sukrisno who has done everything to provide me with the best level of education.

The gratitude is also delivered sincerely for my uncles Babah Eko and Om Dodi who have constantly supported me during my time as a University Student.

To my best friends for life, the family that I chose; Novik, Ayus, Yayak, Fefe, Firra, Vebik, Reza, Yoel, Reper; you guys played huge roles in my life, and I would end up in an asylum instead of the graduation hall if you guys were not there for me during my darkest days, coldest nights, and tiring afternoons.

Last but not least, to Salma, she has been the bravest warrior the world has ever seen, who has the softest heart and the fiery temper during the right times. My dearest Salma, you have done so well, you have come so far, and if no one has told you before, I am proud of you. Please keep the magic and glitters alive inside you. Congratulations for finishing the long, tiring, and lonely fight. You did the impossible my love.

As after every hardships, comes ease. This is by the grace of my Lord.
