Four years of college journey has become a precious journey for me. All people I met have a special place in my heart, for all lecturers, friends, and other new person that come into my life. Who smiles at me, loves, laughs, cries, sad, mad, and makes my college life feels like a roller coaster, bitter and sweet, sour and salty, which means a lot of expressions that I cannot express and will not forget in my life, also part of an extraordinary journey. If I could return the time, I would never regret my decision to apply to Universitas Muhammadiyah of Yogyakarta. Four years of college feel so fast, like a wink.
