MOTTO

And say, "O Allah SWT, add knowledge to me". (Q.S. Thaha: 114)

God does not burden a person but in accordance with his ability. (Q.S. Al-Baqarah: 286)

Surely Allah will not change the situation of a people until they change their
circumstances. (Q.S. Ar-Ra'd: 11)

Indeed, after the difficulty there is ease. So when you are done (from something of
business), do it seriously (business) another. And it is only to your Lord that you should
hope. (Q.S. Al-Insyirah: 6-8)

I don't wanna waste another day, I don't wanna say I'm not okay. (Illenium-Hold On)

Although the pawn is the smallest, the step never retreats. It keeps going forward. ~ Even
if we are small, keep going step by step to achieve a better future.

DEDICATION PAGE

Alhamdulillah, thanks to Allah SWT, I was able to complete this thesis because of his permission and pleasure. Therefore, I dedicate this thesis to all parties who always pray, provide knowledge, motivation, and support continuously from the beginning of my studies in 2018 until now. I realized that without the help and support of various parties, the completion of this thesis would not have materialized. Therefore, with pride and happiness, I as a writer would like to express my deepest gratitude to:

1. To Allah SWT who has given me health, blessings, and endless enjoyment, so that I as a writer can complete this thesis well.
2. To my parents who I love, Mr. Purwanto and Mrs. Sri Wahyujati, who always pray at all times, are always patient and fight tirelessly, always giving encouragement, support, and motivation are endless. Your sacrifice is incredible!
3. To my younger brothers, Rizqy, Rangga, and Reflyn, who are always entertaining, accompanying laughter, and giving color to my life.
4. To all the extended families of my father and mother who have provided support directly or indirectly during this study period.
5. To Mas Fikri Abdillah who has helped and accompanied me in the process of completing this thesis, especially while in Purworejo. Thank you for your prayers, support, and motivation. Don't get tired of reminding me to eat!
6. Thank you to my supervisor, Mr. Awang Darumurti, S.IP., M.Si., who has taken the time to share knowledge, and provide guidance, input, and advice until this thesis is completed properly.

7. To Mas Alim Bubu Swarga, S.IP., MA., as my second supervisor who has guided and assisted me in providing input on the correct use of English grammar during the thesis process.
8. To the extended family of lecturers of Government Science and IGOV UMY, as well as the alma mater of the beloved Universitas Muhammadiyah Yogyakarta.
9. Thank you to my best friends, Ayu Cahya Ningtyas and Annisa Putri Islami, who have always accompanied me at IGOV from new student to the present, always helping, entertaining, and motivating me when I am tired of various tasks. You are great to survive at IGOV!
10. To Muhammad Darmadi, who became my brother at IGOV and wanted to be bothered to accompany thesis guidance, go shopping, eat, and hang out in the café. Thank you, Bang!
11. To Anggita Dwi Syafitri, a successful nurse candidate who is always excited and busy, always motivates and comforts me when I am stressed and sick, as a place to vent, and become my encouragement even though we have a long-distance relationship.
12. To Dharmayanti Mahardika Rahayu and Annisa Jasmine Hana Cholidah, partners of the ambitious PHP2D UKM KPM UMY team, are not tired of encouraging me in the work on this thesis, want to be bothered to accompany eating and staying at the boarding while doing the thesis, and become a place to vent, joke, and share experiences. Thank you so much, my best friend!
13. To Faizatur Rochmah, secretary of the Human Resources Development Division of FRESH CLUB UMY whom I care about, always gave the best advice and motivation for me, helped me raise the mood in thesis work, and wanted to be bothered to help

take care of FRESH CLUB when I was general secretary. Thank you also for taking your time just to buy snacks together and help make a bouquet.

14. To my friends from FRESH CLUB UMY and UKM KPM UMY for the period 2020-2021 that I cannot mention one by one, which in these 2 organizations I get a lot of knowledge about the authorship of scientific work, research, and community service. What an amazing experience when I was a member of the PHP2D team of UKM KPM UMY, and finally got a nomination at Abdidaya 2021.
15. Thank you to the Department of Communication, Informatics, Statistics and Encryption (DINKOMINFOSTASANDI) Purworejo Regency who has allowed me to intern and conduct research, especially in the Sector of Development and Management of Smart City Services. And thank you to the people of Purworejo Regency who have taken their time to be respondents to my research.
16. To the IGOV 2018 classmates who have colored my college days, support each other, and joke laughter. Thank you for the memories, and may success be with you.
17. Thanks to the parties who can't be mentioned one by one. I am grateful for the support and contribution that has been made to me while preparing this thesis until it is completed properly.
18. Last but not least, I want to thank myself for being strong and enduring for the duration of the process, always patient when facing many obstacles, and confident that I can fight to this point. Thank you to me for your efforts and hard work during this time. Continue to be grateful and eager to fight in the next stage!

PREFACE

Alhamdulillahirabbil'alamin. Praise and gratitude we pray to the presence of Allah SWT who has bestowed His grace so that the author can complete this thesis well. Shalawat and greetings are always poured out to our Lord, the Prophet Muhammad SAW, and his family, friends, and followers until the end times, which have taken us from the dark ages to the bright times as they are today.

This thesis is prepared to meet the requirements for obtaining a bachelor's degree in the Government Science Study Program, Faculty of Social and Political Sciences, Universitas Muhammadiyah Yogyakarta. The author presents this thesis with the title **“Analysis of E-Government Based on PORJO-Purworejo Smart City Application”**. The author chose this topic in the hope that it can be used as reference material for the next researcher and as a policy consideration to improve the quality of public services for the community.

In the completion of this thesis, the author cannot be separated from prayers, guidance, assistance, and support from various parties. Therefore, with sincerity and humility, the author would like to thank:

1. Dr. Ir. Gunawan Budiyo, M.P., the Rector of Universitas Muhammadiyah Yogyakarta.
2. Dr. Takdir Ali Mukti, S.Sos., M.Si., the Dean of the Faculty of Social and Political Sciences, Universitas Muhammadiyah Yogyakarta.

3. Dr. Tunjung Sulaksono, S.IP., M.Si., the Head of the Government Science Study Program, Faculty of Social and Political Sciences, Universitas Muhammadiyah Yogyakarta.
4. Sakir Ridho Wijaya S.IP., M.IP., the Head of the International Program of Government Affairs and Administration (IGOV), Universitas Muhammadiyah Yogyakarta.
5. Awang Darumurti, S.IP., M.Si., the thesis supervisor who has provided guidance and input in the preparation of this thesis until it is completed.
6. Dr. Titin Purwaningsih, S.IP., M.Si., the Examiner I.
7. Isnaini Muallidin, S.IP., MPA., the Examiner II.
8. Alim Bubu Swarga, S.IP., MA., the secondary supervisor of my thesis.
9. All lecturers and academic staff of the Government Science Study Program and IGOV, Universitas Muhammadiyah Yogyakarta.
10. Department of Communication, Informatics, Statistics and Encryption (DINKOMINFOSTASANDI) Purworejo Regency.
11. All informants who are willing to be interviewed and provide useful information for the thesis made by the author.
12. My family, friends, and various parties who have provided prayers, assistance, and support in the process of completing this thesis.

Hopefully, Allah SWT give a multiplied reply to all of us for the process of making this thesis. The author realizes that this thesis is still far from the word perfection. The author apologizes if there are errors in writing and delivery in this thesis, due to the limitations of knowledge and abilities, and experiences owned by the author. Therefore,

the author still needs criticism, advice, and input from the reader so that the author can be better. Hopefully, this thesis can be useful for all parties.

وَالسَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ
