Title : **THE ANALYSIS OF PROFITABILITY RATIO AND  
CAPITAL ADEQUACY RATIO TOWARDS THIRD-  
PARTIES FUND IN BANK ACEH SYARIAH**

I declare that the undergraduate thesis is my own original work completed for the degree of *Sarjana Akuntansi* (S.Ak) at Universitas Muhammadiyah Yogyakarta's Faculty of Economics and Business. It does not include any content previously authored or published by others, except for those mentioned in the reference list. If any scientific ethics violations are discovered in my study, I am entirely responsible and willing to face consequences.

6. For **Estuary Café, Ruang Tengah Café, Hidjau Coffee, My Pinkies Kost** and **several cafes and places that I've been to**. Thank you for providing such a pleasant environment in which to complete my thesis.
7. For myself, thank you for fighting to get to this stage, through many ups and downs and no words of surrender till now. I am proud of myself.
8. For all of my buddies who I can't mention one by one. Thank you for being such a wonderful friend and for assisting me while I was away. I am grateful for the opportunity to meet you guys.

## PREFACE

All praise and gratitude are given to Allah SWT, who has provided me with the ease, grace, and kindness necessary to complete this undergraduate thesis. *Sholawat* and greetings are always poured into the great prophet Muhammad SAW.

This undergraduate thesis, titled “**THE ANALYSIS OF PROFITABILITY RATIO AND CAPITAL ADEQUACY RATIO TOWARDS THIRD-PARTIES FUND IN BANK ACEH SYARIAH**” was written to fulfil one of the requirements for the Bachelor Degree of Accounting in International Program of Accounting at Universitas Muhammadiyah Yogyakarta. I chose this issue with the hopes of providing an overview for customers/community members about knowledge of the growth of Bank Aceh Syariah. The completion of this thesis would not have been possible without the assistance, support, and prayers of many people. As a result, I would like to express his gratitude to:

1. Dr. Rizal Yaya, S.E., M.Sc., Ph.D., Ak., CA. as Dean of the Faculty of Economics and Business Universitas Muhammadiyah Yogyakarta.
2. Dr. Dyah Ekaari Jatiningsih, S.E., M.Sc., QIA., Ak., CA. as Chairman of Accounting Department Faculty of Economics and Business Universitas Muhammadiyah Yogyakarta.
3. Mr. M. Bahrul Ilmi, SE., ME.Sy., Ph.D., as my supervisor who has patiently provided motivation, suggestions, and direction to me in order to complete this undergraduate thesis.

4. Mrs. Kurniawati Nur Fadhilah, S.S., M.Hum as my language consulting advisor, who has provided me a lot of supports and advices in compiling this undergraduate thesis in English.

5. Parents, family, and friends who constantly pray for and encourage me to accomplish the thesis. And all parties who have helped me in the preparation of his undergraduate thesis that cannot mentioned one by one.

Hopefully, Allah SWT will bless all forms of support that have been given to theme. I realize that this thesis is far from perfect. As a result, I expect constructive criticism and suggestions for the development of further research related to this topic. Finally, I hope that the readers will find my undergraduate thesis useful.
