MOTTO

Successful people start with:

Identity - process - result

People fail to start with:

Result - process - identity

Results are what you get, process is what you do, identity is what
you believe in.

(Atomic Habits Book - Kita Belajar)

“Don’t judge me by how successful i am, but judge me by the
amount of time I fell and rise above it.” - Nelson Mandela

DEDICATION PAGE

I dedicated this thesis to the public as a source of information and documentation of my contribution to society. Allow me to express my gratitude to the following individuals for the support, enthusiasm, and assistance in finishing my thesis:

1. Allah SWT who has provide, ability, health and thousands of blessing to complete this thesis.
2. My parents who always give the best prayers, provide advice, direction and support to the author to remain enthusiastic and optimistic in the face of all obstacles. Thank you for all the trust you give. May this trust get permission from Allah. Aamiin.
3. Friends in Government Science Batch 2018, especially class D and IGOV friends who always provide motivation and support.
4. KKN Mahardika Bakti Nusantara friends who are always cool and give a new atmosphere in my life journey so far.
5. Febriana, Ani Safitri and Nahda who always support and assist the writer in completing this thesis.
6. Nurul, Salma, Puthy, Acit, Ario, Rehan, Ulva, Farhan and all who have become friends in healing, sharing joy and gossip, you are cool and brave.
7. Galuh Ishardini, my most special friend and sister. Thank you for the time, happiness, jokes, sadness and all that we have done together and never get tired of being my best friend and sister.

PREFACE

Peace be upon you, and Allah's mercy and blessings

Bismillahirrohmanirrohim,

Alhamdulillah, praise and gratitude we pray to the presence of Allah SWT, the most merciful, who has bestowed his grace on the author so that she can complete this thesis as well as possible. Don't forget the prayers and greetings to the Prophet Muhammad SAW who has brought us from the dark age to the bright era and to the family and friends of the prophet who have defended and enforced the teachings of Islam on this earth.

This thesis was prepared as one of the requirements for obtaining a bachelor's degree, at the Government Science Study Program, Faculty of Social and Political Sciences, Universitas Muhammadiyah Yogyakarta. The thesis that the author wrote is entitled: "E-Planning Implementation Design Based on Agile Government Model : Case Study on DATAKU Application in Yogyakarta Special Region Province"

In the preparation of this thesis, did not escape the guidance, input, direction, advice and support from various parties. Therefore, in this opportunity, I as the writer would like to thank:

1. Dr. Ir. Gunawan Budiyanto, M.P., IPM., as Chancellor of the Universitas Muhammadiyah Yogyakarta.
2. Dr. Tunjung Sulaksono, S.IP., M.Si. as Head of the Government Science Study Program, Faculty of Social and Political Sciences,

Universitas Muhammadiyah Yogyakarta.

3. Mr. Sakir, S.IP., M.IP. as Head of International Program of Governments Affairs and Administration, Faculty of Social and Political Sciences, Universitas Muhammadiyah Yogyakarta.

4. Prof. Dr. Dyah Mutiarin, S.IP., M.Si as a thesis supervisor who has given a lot of advice, input, guidance in the preparation of this thesis patiently.

5. Mrs. Rahmawati Husein, S.S., MCP., Ph.D. as the Examiner I who has provided input in writing the thesis.

6. Mr. Awang Darumurti, S.IP., M.Si. as the Examiner II who has provided input in writing the thesis.

7. Misran, S.IP who has helped in working on the thesis.

8. Tiara Sekarwangi as the second supervisor who has given a lot of grammar advice.

9. All lecturers of Government Sciences, Universitas Muhammadiyah Yogyakarta who have provided a lot of useful knowledge for the author.

10. All administrative staff of the Government Science Study Program, Universitas Muhammadiyah Yogyakarta, who have helped from the beginning of the thesis preparation process to the end of the thesis preparation.

11. Mrs. Nurhayati, S.Pi., M.Sc. as the Head of Data and Statistic Section and all Staff of Bappeda who has helped and provided

encouragement and support in preparing the thesis.

12. Respondents for their participation and support.

The author also apologizes if in writing this thesis there are errors in writing and composing the thesis, because limited knowledge and abilities as well as experience which the author has. Therefore, criticism and suggestions are welcome to make the author even better. Hopefully this thesis can be useful for anyone who reads it, amin yarobbal alamin. Wassalamu'alaikum Warahmatullahi Wabarakatuh.
