## ACKNOWLEDGMENT

In the name of Allah, the most Merciful, the most Gracious. All praise is due to Allah; we praise Him, seek His help, and ask for His forgiveness. I am thankful to Allah, who supplied me with the courage, the guidance, and the love to complete this thesis. Also, Peace and salutation always be to the Prophet Muhammad peace be upon him altogether with his accompanies.

As time goes by, every effort and effort is maximized the author has done in order to get a bachelor's degree, by writing a thesis entitled: "Economic Valuation of the Sonobudoyo Museum in Yogyakarta Using the Travel Cost Method Approach".

Author realizes in writing this thesis is still far from perfect and there are still many deficiencies and errors also the writing of this thesis will not be completed properly without the support and assistance of various parties, So that, I would like to give my sincere gratitude for all parties who are contribute in this thesis. In particularly they are:

1. Dr. Endah Saptutyningsih, SE., M.Si and Diah Setyawati Dewanti, SE., M.Sc., PhD as my undergraduate thesis advisor who has provided guidance and suggestions to author since the beginning of the study until the completion of this thesis writing.
2. My family, especially for my parents, my sisters who always be my lifetime biggest supporter. For relentless prays and warmest embrace. Also thank you to always being there when I need strength.

3. Gilang Surya Purnama Jati who always be there for me in almost every moment, always encourage me, spare his time and energy to help me to complete this thesis.
4. My dearest friends Lisa, Nada and Herdan who were always be there every time I needed. Loveeee yaaa, so much!!!
5. Yola as my sambat partner also being a hunger partner in my “every time”, thank you for always willing to listening to all my complaints and always support me.
6. Thank you for Sehun, Chanyeol, Baekhyun, Suho, Kai, Dyo, Chen, Xiumin, Lay who always make up my mood also cheer up my day. Lafyaa with all of my heart baes!
7. All IPIEF lecturers and staff who have provided invaluable knowledge and assistance during the author's education.
8. All of IPIEF 2016 members who have spent almost four years together that always provide a lot of unexpected experience, motivation, information, and thank you for giving color to my college days.
9. All parties related to the completion of this thesis, which I cannot mention one by one.

Hopefully everything in the writing of this thesis can be useful and increase knowledge.
