PREFACE

Assalamu'alaikum Wr. Wb.

Alhamdulillah, praise and thanks to Allah SWT, who has given His grace and guidance, so that the author can complete a thesis with the title "An Overview of Indonesian Doctors in Combating COVID-19". The writing of this thesis is the author's step to conduct research as a fulfillment of the requirements to obtain a Master's degree in Hospital Administration at the Postgraduate program of the University of Muhammadiyah Yogyakarta.

The writer realizes that this thesis is still far from being perfect. There are still many shortcomings in this thesis. Therefore, the author apologizes profusely. The writer expects constructive criticism and suggestions for the good of this thesis.

In preparing this thesis, the author received a lot of help, guidance, and support from various parties. For this reason, the author would like to express his deepest gratitude to:

1. Prof. Dr. Ir. Gunawan Budiyanto, M.P., IPM. as Chancellor of the University of Muhammadiyah Yogyakarta.

2. Ir. Sri Atmaja Putra Jatining Nugraha Nasir Rosyidi, S.T., M.Sc.Eng., PG-Certif., Ph.D., P.Eng., IPM. as Director of the Postgraduate Program at the University of Muhammadiyah Yogyakarta.
3. Dr. Elsy Maria Rosa, M. Kep. as Chair of the Master's Program in Hospital Administration, Postgraduate Program, University of Muhammadiyah Yogyakarta.
4. dr. Maria Ulfa, MMR., Ph.D. as a supervisor who has taken the time to provide assistance, direction, and guidance from the beginning to the completion of this thesis.
5. The writer's parents, dr. Mohammad Wahyudi, Sp.PK and dr. Tri Wahyu Widayanti, Sp.M(K), M.Kes, who always gave prayers, encouragement, enthusiasm, and endless love in the preparation process until the completion of this thesis.
6. The writer's friends and colleagues have helped and provided a lot of encouragement for the writer to finish this thesis.

May the abundance of His grace **and bounty** always be bestowed upon all who have helped the writer **prepare this thesis**. The author hopes this thesis is helpful for readers **and the development of science**.
