Acknowledgement

First of all, I would like to express my gratitude to Allah SWT, the Most Gracious, the Most Merciful. I always believe that your plan and my fate is the best choice for me. Alhamdulillah, with His grace, I was able to write and complete this thesis. In addition, I would like to express my special thanks to my beloved parents, Mr Selamat Riadi and Mrs. Nila Nuria, who have always loved and supported me psychologically and financially throughout my life and in completing my education. I am grateful to have parents like you who continue to patiently guide and advise me. I would like to thank my supervisor, Mr. Puthut Ardianto, S.Pd., M.Pd., for his support, patience, and encouragement during my undergraduate studies.

I have several people who always motivate me from the first semester until I finish the last semester. I thank them for class A ELED 2017. Last, actually there is nothing to be proud of from me however, I want to thank myself for still remembering and holding fast to the principle of what life has begun and must be completed until the end.
