Bismillahirrahmanirrahim....

In the name of Allah, the most gracious and the most merciful. First and foremost, I am thankful to Almighty to ALLAH for the strength, guidance, love, spirit, and opportunity to finish this skripsi. Shalawat and salam are always we deliver to our beloved prophet Muhammad SAW who has become the best example for mankind. Without him, human beings cannot recognize the bad and the good.

I may not of type person who can show affection toward people easily. Thank you to my all family for always giving continuous and endless support during my study until the process of writing this skripsi. Especially to my parents, I am grateful to thank my parents for the prayer, time, money, love, and support to keep me writing this skripsi. My thanks for the willingness of Junior High school parties in Semanu area and English Junior High school teachers in Semanu area to permit me to carry out this research in Junior High schools as research places and for English teachers as participants of my research.

I would like to thank my supervisor, Mariska Intansari for her patience, guidance, and support so I can finish this skripsi. This is an honor for me to be your student. Thank You very much for the time that has been spent giving me guidance, advice, and support for the process of writing this skripsi, even though you have a busy schedule.

Thank you so much for your support and for helping me
