Research Paper Title : Sexual Violence in Online Media Framing, How Detik and Tribunnews Make Their Different Perspective

Stating that the article with the title “: Sexual Violence in Online Media Framing, How Detik and Tribunnews Make Their Different Perspective” contains no work that has ever been submitted for a bachelor’s degree at a university, and to the best of my knowledge, there are no works or opinions that have been written and published by other people, except those referred to in writing in this manuscript are mentioned in the Bibliography. If it turns out that in this journal manuscript it is known that some works or opinions have been written or published by other people, then I am willing that the work is canceled.
