Acknowledgment

First, I would deliver all the praise to Allah *Subhanahu Wata'ala* as the lord who guided me and blessed me so I can do well on my skripsi entitled "EFL Reading Assessment to Determine Students' Reading Comprehension in a University Context". The process of writing this skripsi would not be done well without a guide, support, prayer, and help from various parties. Therefore, I would deliver my gratitude to:

1. My coolest supervisor, *Ms. Evi Puspitasari, S.Pd., M.Hum.*, thank you for your advice, motivation, and patience while helping me in completing my skripsi writing. And also thank you for the pressure, without the pressure from Ms. Evi maybe I still haven't finished writing my skripsi.
2. All the lecturers of the English Language Education Department who always supported the writer in learning during college and gave the writer very useful knowledge.
3. My parents, *Tasim Harsono, S.Pd.*, and *Sri Haryati, S.Pd.*, who have helped and supported me both financially and mentally. And also for my brother, *Rahardian Yudi Harsono*, we can continue to help each other in the future.
4. My friends from high school, *Aliansi Squad*, thank you for helping me in taking advantage of the time that was originally lazy to become useful by having fun together until I forget the time.
5. My college friend, *Muh. Mu'taz Syafiq* who I often worry about life problems, *Anisa Wahyu D.P* who helps and directs me in processing the data, *Denta Noer A* who often helps me about thesis.

6. Last but not least, I thank myself. Thank you for wanting to fight to the end. And also thanks for my favorite motivation which is, "finish your work so you can be lazy afterwards", that's really cool.

Best Regards,
