Andea Destika Aulia Putri

This Undergraduate Thesis I dedicated to my precious one, My Family who always supporting and loving me unconditionally.

PREFACE

Bismillahirahmanirahim

Praise and gratitude to Allah SWT. because of the blessings, grace, and love, the author was able to complete this thesis. Shalawat and greetings are always lavished on the Prophet Muhammad SAW. and his companions. This undergraduate thesis, entitled "The Analysis of the Influence of Micro, Small, and Medium-sized Enterprises (MSMEs) Digitalization and the Number of Labors on Regional Gross Domestic Product" has been made as partial fulfillment of the requirements to graduate and obtain a degree as a bachelor of economics in the International Program for Islamic Economics and Finance, Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta. The author realizes that this thesis could not have been completed without prayers, contributions, support, guidance, and advice from various parties during the preparation of this undergraduate thesis. At this opportunity, the author would like to express sincere thanks to:

1. The author's parents, Putu Dessy Indrawati and Acep Syaripudin, thank you for always supporting the author not only financially but also morally by providing prayers, love, motivation, advice, and extraordinary patience in every step of the author's life. The author hopes to always give happiness and make the family proud.
2. The author's two little brothers, Andea Muhammad Abhista Andikaputra and Andea Muhammad Razqa, have always been someone the author could ever ask for.

3. Dyah Titis Kusuma Wardani, S.E., MIDEC., Ph.D. and Sri Ani Puji Setiawati, S.S., M.A. as the author's thesis supervisor, thank you for all the guidance and advice given so that this thesis can be completed properly.
4. Dimas Bagus Wiranatakusuma, S.E., M.Ec., Ph.D. as an IPIEF Director, he has provided knowledge, motivation, and guidance during the author's studies at Universitas Muhammadiyah Yogyakarta.
5. Khoirunisa Fadia Nadayu and Lisya Indrayana, thank you for being a part of a precious moment that the author will always remember in the future.
6. Raisa Mukaroma, Magna Auriza Wibowo, Anita Permatasari, Dwika Muzakka Anan Tatya, Affan Pramudia Ramadhan, and Atras Fariz Arfian, thank you for accompanying the author's overthinking night with various random and insightful discussions.
7. All IPIEF lecturers who have provided knowledge, lessons, advice, and suggestions during the author's studies at Universitas Muhammadiyah Yogyakarta.
8. All IPIEF 2018 members were also given memories of the author's studies at Universitas Muhammadiyah Yogyakarta.
9. To the author's alma mater, Universitas Muhammadiyah Yogyakarta, thank you for being an intermediary in realizing the author's dreams.
10. Last but not least, I would like to express gratitude to myself. I would like to thank myself for putting in all of this hard work and for no days off. I want to appreciate myself for always moving, never giving up, and always trying to give more than I receive in every single condition.

In closing, the author realizes that there are still many mistakes and shortcomings in this thesis, so the author accepts all criticism and suggestions in order to improve it.

CHAPTER I. INTRODUCTION **1**
A. Background 1
B. Limitation of Problems 12
C. Reseach Questions 13
D. Research Objectives 13
E. Benefit 14
CHAPTER II. LITERATURE REVIEW **15**
A. Theoretical Basis 15
B. Previous Research 29
C. Hypothesis 37
D. Research Framework 39
CHAPTER III. RESEARCH METHODOLOGY **40**
A. Research Objects 40
B. Data Types and Sources 40
C. Data Collection Techniques 40
D. Definitions of Research Operational Variables 41
E. Data Instruments Test 44
F. Hypothesis Test and Data Analysis 45
CHAPTER IV. GENERAL DESCRIPTION **51**

A. General Overview of Research Objects 51
B. General Overview of Research Variables 51
CHAPTER V. RESEARCH RESULTS AND DISCUSSION 59
A. Panel Regression Model Selection 59
B. The Classic Assumption Test 60
C. Regression Analysis Test 62
D. Discussion 65
CHAPTER VI. CONCLUSION, RECOMMENDATIONS, AND RESEARCH LIMITATIONS 76
BIBLIOGRAPHY 79
APPENDICES 84

LIST OF TABLES

1.1 The Use of E-Commerce Data For 10 Provinces in Indonesia 8
2.1 Previous Research 34
4.1 RGDP Growth Rate Data For 10 provinces in Indonesia 44
4.2 Internet User Data For 10 Provinces in Indonesia 46
4.3 The Use of E-Commerce Data For 10 Provinces in Indonesia 47
4.4 E-Commerce Export Data For 10 Provinces in Indonesia 48
4.5 Number of Labors Data For 10 Provinces in Indonesia..... 49
5.1 Test Results with Fixed Effect - Likelihood Ratio..... 51
5.2 Test Results with Random Effect - Hausman Test 51
5.3 Multicollinearity Test Result..... 53
5.4 Heteroscedasticity Test Result 53
5.5 Individual Parameter Significance Test (t-statistics test) Result..... 54
5.6 F-statistics Test and Coefficient of Determination Test (R-Square) Result 56

LIST OF FIGURES

1.1 Internet Penetration Rate in Indonesia 2018-2022(Q1) 2
1.2 The Use of E-Commerce Among MSMEs 7
2.1 Research Framework..... 39
5.1 Histogram - Normality Test Result..... 53

LIST OF APPENDICES

Appendices 1. Research Data 85
Appendices 2. Panel Regression Model Selection 90
Appendices 3. The Classic Assumption Test 92
Appendices 4. Regression Analysis Test 94
Appendices 5. Letter of Statement of Similarity Test 95
Appendices 6. Plagiarism Check 96
