First of all, I would like to express my gratitude to Allah SWT, who always give me the health, strong and favor needed to complete and finishing this thesis. Then I thank the Nabi Muhammad Sallallahu Alaihi Wasallam who has guided me to a brighter path. To my skripsi advisor Mr. Roy who has guided me patiently until I finished this thesis. To Miss Eko and Miss Jackie as my examiners at thesis defence, I am also grateful for the guidance and corrections given.

I dedicate this thesis to my beloved parents, Teguh Prihantoro and Susilo Pratondowati, who have given me a lot of support and motivation to keep this thesis going. I also thank my sister, Hida, for helping to encourage me to continue this thesis. Without them I might not be here, they are the first people who will always support me no matter what, thank you for giving me a lot of support and always trusting me.

Special thanks to my friends Meyla, Oliv, Cici, Hanun, Rofita, Vatika, Amel. Thank you for always being there for me, I really learn a lot from you, also we have shared bunch of memories of this past years, it is honor to meet you. Especially Zakiya the one who I cling a lot during my hard time, she has been witnessed my struggle during the writing of this thesis. Safira, Chairun, Puput, Nes, Cindhe, Inka, Kamel, and Ais who have accompanied me during the work on this thesis and have never stopped giving me encouragement to finish this thesis. The one who support me the most Jiandra, Nakula, Sekala, Juan, Ala the one who are always there when I need

to be heard, you are at the very front to hear to my all stories and will be always ready to give me supports endlessly. I think saying thank you is not enough for all of your kindness. I hope in the future I can continue to support whatever you will face.

To the thirteen SEVENTEEN members, Treasure's Park Jihoon and Kim Junkyu who always accompany me through their music that have been made. Not only their music, the words that come from them also motivated me to keep doing the things that I am currently doing. Become one of the sources of my passion to complete this thesis. To the participants who contributed to the continuous of my thesis, without them my thesis could not be completed. Last but not least I thank to myself for trying hard to fight the laziness and have the courage to take a step forward, so this thesis can be completed properly.
