Praise and gratitude I pray to the presence of Allah Subhanahu Wata'ala who has given all grace and guidance, for his permission which has helped me to complete my skripsi smoothly and successfully with the title “The Correlation Between Students' Satisfaction on Classroom's Physical Environment and Students' Learning Outcomes in English Subject at Senior High School” which is one of the requirements in completing my studies at the Undergraduate (S1) English Language Education Department at Universitas Muhammadiyah Yogyakarta. I would like to thank all those who have helped me in the preparation of this skripsi.

I dedicate this skripsi as a tribute to my parents, Mr. Marijan and my mother Tumiati, with their prayers and everything they fought for me so that I can finish my studies well. I would like to thank my brother Widy Setiawan S.Kom and his wife Esy Asmarita S.E who always provide help and support to me. Not forgetting my lovely girl Assyifa Yusfina who has provided the best encouragement for me and finally as a gift in my life Amorfati Banda Neira.

In the process of compiling this skripsi, it is inseparable from the great parties in related fields. My thanks go to Mr. Andi Wirataka, S.Pd., M.Hum as Chair of the English Language Education Department Study Program, Faculty of English Language Education. Biggest appreciation to Mrs. Fitria Rahmawati, S.Pd., M. Hum as my supervisor, I thank you for all the guidance and support in guiding me in the preparation of this thesis. I would like to thank Mrs. Sri Rejeki Murtiningsih, Ph.D and Mr. Gendroyono, S.Pd., M.Pd as my examiners who have helped perfect this thesis. In addition, I would like to express my gratitude to all English Language

Education Department lecturers at the Yogyakarta Muhammadiyah University for their knowledge and all the experiences that have been most valuable to me while studying.

Thank you from me to the Principal of the School, administration staff, teaching staff, and all students at Ma Sejahtera Pare, Kediri who have provided informational assistance as the best source of data in the preparation of my thesis.

Special thanks from my heart to Violita Febyana S.Pd who has become my sister, has helped and always encouraged me in the preparation of this skripsi. LOTTO (Jani, Juput, Auril, Thalita, Rimbi) thank you for the precious memories in my life so far. For my special friends (Tiara, Mutia, Winda, Defi, and Ivo) who always accompany me in anything.

The writer realizes that this skripsi still has many shortcomings and is far from perfect, so the writer hopes for constructive criticism and suggestions. Finally, the writer hopes that the skripsi will be useful in the future.
