DECLARATION PAGE

I hereby,

Name : Mirza Khayhan Asyitiani

Student Number : 20190420152

I certify that this undergraduate thesis with the title "THE EFFECT OF EGO DEPLETION AND LOCUS OF CONTROL ON AUDIT JUDGMENT AND DECISION MAKING" is the result of my own original work in fulfillment of the requirements for a degree in Accounting from the Faculty of Economics and Business, University of Muhammadiyah Yogyakarta. There are no previously created and submitted works for a bachelor's degree at higher education institutions and no previously published works by other researchers and authors, with the exception of reference studies included in the Bibliography. If there is a breach of scientific ethics in this project, I am prepared to discontinue it and bear the academic repercussions.

Yogyakarta, December 7th, 2022

Mirza Khayhan Asyitiani

MOTTO

“Success will be certain if you work hard, pray, trust and endeavor”

(Author)

“The greatest glory in life is not never falling, but rising after every fall”

(Nelson Mandela)

“Be easy on yourself, because God has predetermined the result of all events. If something is destined to go somewhere, it will never come to you, but if it is destined to be yours, it cannot escape from you”

(Umar ibn Al-Khattab)

“Magic is having faith in oneself. If you can do this, you can accomplish everything”

(Johann Wolfgang Von Goethe)

DEDICATION PAGE

Allhamdullilahirabilalamin, first of all I would like to thank and praise to Allah SWT for the blessings, gifts, convenience and smoothness that has been given in carrying out the lecture process until the completion of this study smoothly. This research was made as a form of responsibility, worship, and dedication to my parents who gave me the opportunity and support to carry out my knowledge to complete the undergraduate level. Through this thesis as well as an expression:

1. Praise be to Allah SWT., who has provided joy, power, opportunity, and ease in pursuing and finishing this education.
2. To my beloved parents, who always support, love and always fight for me and my siblings. I thank you very much for always being there in difficult times and happy times, and being one of my strengths to this day.
3. To my dear brothers, Ocay and Fahri. Thank you for always informing and supporting me in all conditions.
4. To my dear college best friends. Adini, Evelyn, and Rini, thank you for your inspiration and for always being by my side through difficult and joyful times, and thank you for wanting to fight together and reminding each other.
5. Thanks to my beloved friend, Andini Filza. Who strengthened me and always accompanied me in collecting respondents for this research.
6. To Mrs. Dr. Dyah Ekaari Sekar Jatningsih, S.E., M.Sc., QIA., Ak., CA, my thesis supervisor, thank you for the direction, feedback, and time provided to me so that I could finish my thesis.

7. To Mr. Pratama Ahdi, S.S., M.Hum, thank you for guiding and helping me in completing this thesis.
8. To my IPAcc 2019 classmates. Adin, Evelyn, Rini, Ara, Salma, Icha, Irvi, Mufi, Abel, Hapsari, Widya, Dafa, Rafqy, Aqsal, Zeze, and Laili, thank you for making my college years enjoyable and for always being eager to fight beside me.
9. Adin, Evelyn, Intan, Salma, Zeze, Jannah, Mas Wisnu, Mas Raihan, Mba Novi, and Mba Ika, who are all KKSP Internship Friends. Thank you for contributing useful insight and experience.
10. To the KKN 189 group, thank you for the new experiences, stories, and togetherness you gave.

PREFACE

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Allhamdullilahi Rabbil'alamin, all praise and thanks to Allah SWT for the grace, convenience, grace, and smoothness that has been granted to enable the writer to complete this undergraduate thesis on "The Effect of Ego Depletion and Locus of Control on Audit Judgment and Decision Making" with ease and on time.

The goal of this undergraduate thesis is to fulfill one of the Bachelor's degree requirements at the Faculty of Economics and Business, University of Muhammadiyah Yogyakarta. The author chooses this subject with the goal that it would serve as a guide or description for auditors to maintain and enhance the quality of audit judgment and decision-making. The goal of this undergraduate thesis is to fulfill one of the Bachelor's degree requirements at the Faculty of Economics and Business, University of Muhammadiyah Yogyakarta. The author chooses this subject with the goal that it would serve as a guide or description for auditors to maintain and enhance the quality of audit judgment and decision-making.

The completion of this undergraduate thesis is inseparable from the support and guidance of various parties. therefore, on this occasion. The author would like to express his deepest gratitude to:

1. Dean of the Faculty of Economics and Business, Yogyakarta Muhammadiyah University, Prof. Rizal Yaya, S.E., M.Sc., Ph.D, Ak, CA who has provided convenience and guidance during the time the writer completed this study.

2. Mrs. Dr, Dyah Ekaari Sekar Jatiningsih, S.E., M.Sc., Ak., CA, As Thesis Advisor and Head of the Yogyakarta Muhammadiyah University Accounting Study Program who always provides advice, knowledge, guidance, and motivation to the author during the process of completing this undergraduate thesis.
3. Mr. Pratama Ahdi, S.S., M.Hum as the LC supervisor who always reminds and helps the author in completing this undergraduate thesis.
4. All lectures and staff members of the Faculty of Economics and Business at Muhammadiyah University of Yogyakarta who have assisted me have imparted information and expertise that has been invaluable.
5. The author's parents, siblings, family, closest friends, and pals who continually encourage and support.
