PRESENTATION PAGE

Praise and gratitude belong only to Allah SWT., who has given all His grace, taufik and hidayah so that the author can complete an academic journal research paper with the title " Religious-based women's organization : Da'wah Movement through Twitter Social Media.

This thesis was prepared to meet one of the requirements in obtaining a Bachelor's degree at the Faculty of Social and Political Sciences, Communication Science Study Program, University of Muhammadiyah Yogyakarta. The author takes this topic in the hope of providing information that proselytizing is not only carried out by men, but women can also and are good at preaching in the public sphere, as is the case with 'Aisyiyah as a women's organization whose modern proselytizing movement through sausage media aims to build women's social cohesion in carrying out the role of domestic or role in the public domain.

In the preparation of this thesis, the author is fully aware that the author gets support, help, guidance, suggestions, motivations and prayers from various parties. Therefore, the author expresses his deepest gratitude to:

1. Mr. Dr. Fajar Junaedi, S.Sos., M.Si as the head of the Communication Science Study Program at the University of Muhammadiyah Yogyakarta who always provides motivation to the author in completing this research.
2. Mr. Budi Dwi Arifianto, S.Sn., M.Sn as a supervisor who patiently always guides the author in completing this research.
3. Mas Mohammad Jafar Loilatu and Mas Dimas Subekti have transferred knowledge about journal authorship.
4. Parents for do'anya so that the author can get to this point, as well as Desi Nurisma Irmawati as the author's brother who always supports and prays for the author's smooth running in conducting research.
5. Mr. Budi Dwi Arifianto, S.Sn., M.Sn as a supervisor who patiently always guides the author in completing this research.
6. Friends who are always supportive to complete the research soon.

In closing, the author realizes that in this final project or thesis, there are still many things that need to be improved. Therefore, criticism, suggestions, and further research development.
