STATEMENT OF ORIGINALITY

I, hereby certify that my internship report taking place to replace the undergraduate thesis is my own original work and has not been submitted for any degrees or other purposes, at Universitas Muhammadiyah Yogyakarta or other higher education institutions.

In my internship report, there are no works, ideas and opinions of others, unless clearly written as references by mentioning the name and included in the bibliography.

I wrote this statement truly and if in the future a discrepancy was found with this statement, then I would accept any academic sanctions provisions at Universitas Muhammadiyah Yogyakarta.

ENCOURAGEMENT

Sometimes a scream is better than a thesis.

~ Ralph Waldo Emerson

I wrote my thesis on the benefits of war and very near got thrown out of college. But I can show you where the greatest advancement of mankind comes under stress and strain, not comfort.

~ Don Young

Love yourself first. However, if you do something for others, it can turn out that it is also for you.

~ Kim Jisoo

No matter how fast time flies, I will make sure not to miss the value of things.

~ Kim Jisoo

The point is that when I see a sunset or a waterfall or something, for a split second it's so great, because for a little bit I'm out of my brain, and it's got nothing to do with me.

~ Chris Evans

I'm reminded of who I am, who I was, and who I'm supposed to be.

~ Chris Evans

Learn from yesterday, live for today, hope for tomorrow.

~ Sandi Prayogi

It's you. It's always been you. It will always be you.

~ Sandi Prayogi
