Acknowledgement

I would like to express my gratitude to Allah SWT who always protects and bestows me with his blessings, because without his blessings I would not be able to complete my obligations as a student. As a Muslim I feel grateful for everything that Allah SWT has destined for me. Moreover, I would like to express my gratitude to our prophet, Muhammad SAW, who always motivates me to become a better human being.

With respect and affection, I would like to thank my mother profusely, Mrs. Male. I love you Mama, even words cannot describe how I love you Mama. I would like to thank my father Mr. Tatang for his hard work, thank you for the love and the understanding you always give me. To my sisters and brother Nur, Umu, Nisa, Hilman, Rose, and Mike, thank you for everything. To my nephews and nieces Marjan, Salwa, Naufal, Fakhri, Fathan, Uwais, Rumaisa, Khodijah, Fayad, Denaldi and Beryl, thank you for always making me happy.

I also would like to express my gratitude to my thesis supervisor, Ms. Arifah Mardiningrum, S.Pd. M.A., for being patient with me and also guiding me to complete my skripsi. Without her I would be lost and I believe I would lose my sanity without her guidance. Furthermore, I would like to thank all the PBI and UMY staff for their services.

My passion to finish this thesis would disappear if my beloved friends were not by my side. To Agus, Deni, Karina, Shintia, Viola and Amalia, thank

you for entertaining me with such lousy jokes. To the two friends I met during college, Desi and Lu'lu, thank you for your interest in being friends with human like me. Lastly I would like to thank the fictional characters who always flood me with sadness and joy. The Marauders, Mooney, Wormtail, Padfoot, and Prongs.
