## Acknowledgment

First, I would like to convey my gratitude to Allah SWT for giving me the strength to complete my undergraduate thesis for my bachelor's degree. Then, I sincerely dedicate my undergraduate thesis to my beloved parents, my father Rasiman and my mother Sunarsih for constantly supporting me through prays, finances, and mental support, as well as my two little sisters Wenny and Winda for always cheering me on every situation.

My sincerely grateful to my greatest supervisor, Mrs. Fitria (Fitria Rahmawati, S.Pd., M.Hum) for your guidance, advice, and help until I finished my thesis. Because of your suggestions and patience, I was able to finish this thesis on time.

I also would like to thank Kamar Serbaguna members, Fathan, Reza, Doni, Arga, Ezi, Taufik, and Satrio who always accompany me reduce tiredness together while working on thesis. Also, thanks to Wafiq Azizah who always supports, helps, and believes in me that I can finish this thesis on time. Then, my deepest thanks to all respondents from students of the ELED students' batch 2021 who were willing to help me participate in my research. Finally, thanks to myself for working hard and never giving up during this study.
