Bismillahirrahmanirrahim. First things first, I am thankful for the gifts Allah has bestowed upon me. With his blessing and mercy, I may successfully complete my thesis. I would like to dedicate my hard work to my wonderful woman, my mother, Mrs. Eldiana, who always loves, prays, and supports me unconditionally at every step of my life. My father up there, who is always in my heart, and Kevin, my one and only brother, who always protects me. Also, I thank my beloved family, my grandma, aunties, uncles, and cousins, who always support and motivate me with sweet love in every condition I am in.

Special thanks to Mr. Suryanto, my supervisor, who has been patiently guiding, encouraging, giving advice, and inspiring me in completing my thesis. This thesis has been feasible because of his assistance.

My gratitude to the best people on this journey. Big thanks to Ibrahim for his presence and support through every up and down of this journey.
