DECLARATION PAGE

Hereby this letter declared that,

Name : Karissa Ardelia Abieza Nugraha

Student Identity Number : 20190520083

I hereby declare that my thesis entitled: **Collaborative Governance: Economic Recovery Using Smart Traditional Market** I made it with my own work and do not contain work that has been submitted for a bachelor's degree at my university. Furthermore, if in the future there is evidence of duplication and there are other parties who feel disadvantaged, then I will be responsible and accept all the consequences that accompany it.

DEDICATION PAGE

Praise the author goes to Allah SWT who has given health, grace, and guidance, so that I as the writer am still given the opportunity to complete this thesis as one of the conditions for obtaining a bachelor's degree. Even though it is far from perfect, I am proud to have reached this point, which finally finished this thesis at the right time. With all the limitations that I have, there are still many deficiencies that must be corrected. Hopefully the results of this research can be useful, especially for the world of education.

In writing this thesis, I received a lot of help from various parties. Therefore, my thanks go to:

1. Allah SWT for all His mercy and guidance so that this final project can be completed properly.
2. To my beloved parents, father and mother, whom with great patience and sacrifice always provide encouragement, material and non-material assistance so that I can complete my studies.
3. To my supervisor, Mr. Awang Darumurti, S.IP., M.Si. who have taken the time and with great patience have provided guidance in the preparation of the thesis.
4. Lecturer in the Undergraduate Program in Government Science at the Muhammadiyah University of Yogyakarta and Administrative Staff at the Yogyakarta Muhammadiyah University for their education and guidance.

5. To my friends from the International Program of Government Affairs and Administration (IGOV UMY), thank you very much for accompanying me during college to the process of working on my thesis.
6. To my friends from the 2019 Study Program in Government Science, Muhammadiyah University of Yogyakarta, who have provided lots of advice and motivation, thank you for your support. Togetherness that has been achieved for these 3 years may be the most beautiful memories that will not be forgotten.
7. To my dear friends from college for 3 years; Elza Novira Tarino, Danysha Alivia Setyawan, Jihan Fadhilah Alrizal, Mutiara Fauziah Nur Awaliah, and Dian Aryanti Subadrin. I'm so thankful for this friendship. There's nothing more in the world that I appreciate than you being here for me through all the ups and downs in life.
8. To my dear friends who have been with me for 9 years; Nabila Tatjana Salsabila, Farah Hanifah, and Anita Rahmallah. Thank you for accompanying me in joy and sorrow since middle school until now.
9. Finally for myself, thank you for being strong and surviving until now until the writing of this thesis is complete.

I realize that this thesis is still far from being perfect, because it is not free from my weaknesses and limitations. Finally, I hope that this thesis is useful as additional knowledge and can provide benefits to all parties and be used as further implications for students.

Billahi fii sabilil haq, fastabiqul khairat.

PREFACE

All praise and gratitude to the presence of God the Most Merciful for all the abundance of His love, grace, and will so that the final thesis with the title **“Collaborative Governance: Economic Recovery Using Smart Traditional Market in the Yogyakarta City Government”** can be completed properly. The completion of this thesis would not have been possible without the help, guidance, and prayers from various parties. I would like to take this opportunity to thank all those who have helped in the creation of this work, a big thank you to the honorable:

1. Mr Prof. Dr. Ir. Gunawan Budiyanto, M.P., as Chancellor of Universitas Muhammadiyah Yogyakarta.
2. Mr. Dr. Takdir Ali Mukti, S.Sos., M.Sc., as the Dean of the Faculty of Social and Political Sciences of Universitas Muhammadiyah Yogyakarta.
3. Mr. Dr. Tunjung Sulaksono, S.IP., M.Si., as Chair of the Government Science Study Program of Universitas Muhammadiyah Yogyakarta.
4. Mr. Awang Darumurti, S.IP., M.Si. as the Thesis Advisor who has taken the time during the guidance process and patiently guided until the end.
5. All lecturers of Government Science at the Universitas Muhammadiyah Yogyakarta who have provided a lot of knowledge while in college.
6. Administrative Staff and Administration Science Laboratory at the Universitas Muhammadiyah Yogyakarta who have assisted the administrative process properly.

7. To parents, family, friends, and all parties that the writer cannot mention their names one by one who have given their prayers and support so far.
8. To the Department of Trade of the City of Yogyakarta (DISDAG) for giving permission and helping me in the research process.
9. To the staff of the Regional Development Planning, Research, and Development Agency (BAPPEDA) for the Special Region of Yogyakarta who have assisted me during the research process.
10. To the Department of Bank Indonesia Special Region of Yogyakarta for giving permission and helping me in the research process.
11. To the Beringharjo Foundation Initiative Indonesia for giving permission and helping me in the research process.
12. To the Wondis Chocolate for giving permission and helping me in the research process.

I hope that God Almighty bestows His grace and guidance on all of them. Hopefully this thesis can be useful for all of us.
