## ACKNOWLEDGEMENT

All the praise and thanks given to ALLAH who has given blessings to the author to finish this undergraduate thesis.

My highest gratitude is to God Almighty, because for His blessings and mercy, I was able to complete this thesis. The writing of this thesis was done to fulfill one of the requirements to achieve a Bachelor of International Relations, Faculty of Social and Political Sciences, Universitas Muhammadiyah Yogyakarta

I realized that without the help and guidance from various parties, from the lecture to the preparation of this thesis, it was very difficult for me to complete this thesis. I would therefore like to give thank to the people who always support me.

The writing of this thesis has been done as well as possible in accordance with the ability of the author. But the author realizes that the author has limitations and realizes that this thesis is far from perfect. Therefore, the author hopes that there will be constructive criticism and suggestions for the sake of the perfection of writing this thesis in the future.

Finally, the author hopes that God Almighty will repay all the goodness of all those who have helped. Hopefully, this thesis can provide benefits for the development of science and can be a material input and consideration for decision makers.

## EXTENDED GRATITUDE

I dedicated this page as an expression of my gratitude to the god almighty and my gratitude to the closest people who played a big role in my undergraduate study, to those who have encouraged and helped me through the process, to the great people that I ever known.

1. Allah SWT because of His blessing I can finish this undergraduate thesis with a good health physically and mentally.
2. Parent and Grandma who has always been supportive and never asked to much for their children and consistently asking how their child are doing. With a message do not need to feel forced and pressured, if you are tired it is better to take a short break. Moreover, they become a sedative of all bad thoughts and always teaches to fear God not human. If we make a mistake, then fix it in the future. For my grandma, maybe she cannot see and attend my graduation later, but I just want to thank her for her prayers all this time and want to say, “your granddaughter is graduating :D”.
3. To My brother and my sister who give me supportive word and the best advices that I can choose also encouraging their lil sister to take the chances.
4. To my Advisor, Dr. Takdir Ali Mukti, S. Sos., M. Si who have guided me and give his best during our thesis guidance very well and always give his best in conducting our thesis mentoring.
5. Dear friends - My Hadikusumo’s with the routinity, eating together after class and sharing tasks together, sharing info related to the lectures, you guy’s rock. May GOD bless all your kindness.
6. Dokumen Dalam Negeri Squad who are sometimes docked and equally struggle to graduate immediately.
7. Thank you also to ILS, whose provide me indirect motivation because they have started to graduate and can eventually work on thesis together and finish it. Alhamdulillah
8. To JKL Teams, The Girls, and Cuman teman les, it turns out that this friendship can also last a long time. Thanks for your daily motivational words that do not actually motivate sometimes. May you guys finish what you’ve started.
9. Thank you also for my Ipirelians, Student English Activity, Advisory Council Friends, BEM Friends, Lingkar Cendekia, Keluarga BiRu, Youth Development Community as a place where I can develop my potential and become what I am now.
10. Last but not least, to the people I care so much but can’t be mentioned one by one, thank you again for keep surviving. The journey keep continue may goodwill bring us back to where we want to be.
