MOTTO

If you never try you never know
-Coldplay-

Learn till your teacher become your rivals
-Unknown-

Wasting time is worse than death, because the death
separates you from this world whereas wasting time
separates you from Allah.

-Ibnu Qayyim-

I believe each person will experience a phase in life, so
live it and enjoy it with gratitude.

Indeed, Allah does not wrong the people at all, but it is
the people who are wronging themselves.

-Quran 10:44

ACKNOWLEDGMENT

Assalamu'alaikum Wr. Wb.

This paper aims to analyze the effect of The Number Of Tourists, Number Of Tourism Objects, Regional Income and Inflation Rate On The Local Own-Source Revenue (PAD) In Riau Islands Province In 2013-2019. So that this study does not deviate from other subjects and is more detailed, the researcher's problems are limited to the influence of the Number of Tourists, Number of Tourism Objects, Regional Income and Inflation Rate on the increase in Local Own-Source Revenue in Riau Islands Province. The number of tourists from Riau Islands regencies/cities foreign tourists has a significant positive effect on the Local Revenue of regencies/cities in Riau Islands province. The number of tourist attractions had an insignificant positive effect on the pad of Riau Islands regencies/cities in 2013-2019. Regional Income has an insignificant positive effect on the Local Own-Source Revenue of Riau Islands regencies/cities. This means that the greater the Regional Income, the higher the Local Revenue of the Riau Islands regency/city in 2013-2019. Inflation has a significant negative effect on the pad of regencies/cities in the Riau Islands province. This means that the higher the inflation of regencies/cities in the Riau Islands province.

The author through many obstacles in the process of writing this thesis, but there was motivational encouragement from various parties such as family, supervisors, and friends in the end I was able to complete the writing of this thesis. I thank you infinitely for all who have been involved in the process of writing this thesis.

The author expresses many great thanks to:

1. Allah SWT who has given gifts and blessings so that I can complete this final task.
2. My parents who always provided support, motivation and infinite prayers and sacrifices.
3. Prof. Dr. Endah Saptutiningsih, S.e., M., M.Si. as the head of the department Economics. And Dr. Dimas Bagus W, S.E., M.Ec.
4. Prof. Dr. Nano Prawoto, M. Si and Dr. Dimas Bagus W, S.E., M.Ec. as a thesis supervisor, thank you for guiding me patiently and enlightening me, so that I can do my thesis properly and correctly.

5. All lecturers majoring in Economics, University of Muhammadiyah Yogyakarta who have provided lecture knowledge in completing this final project.

May Allah SWT give proper protection and reward to those who have given infinite support and prayers, whether listed above or not. In this case, the author is very aware that it is possible that in writing this thesis there are many shortcomings. The author really hopes for criticism and suggestions from various parties. The author hopes that the writing of this thesis will be useful for many audiences.
